STEVE ARENBERG

Steve,
Hope to play tennis
with you this summer.
Rankine

TO STEVE R EN BURG,

HOPE YOU WIN YOUR BETS WITH KNIGHT. BIG RED

Air en burg, Air en burg Theaters

Steve,

You are the worste the most pitifully bad tennis player I have met. You are terrible. Keep on trying over the summer and maybe you can get 3 whole points.

Tom Schwartz

P.S. Break your racket

To the smartest one in Math And one of the neatest guyes I know.

Mark (Rork) McRory

Remember:
1, 3 & 7, 9, 11

Wasn't it fun watching some people get Hyper in Drama? I'll get it mey money back from those dollo bills someday or later.
Jeff Behrens

Loyal Majestic Heroine Sir:
I'm glad you were in my
math class & could help me
with homework! Those copperheads
about get you next time you're
at Drey Land!
Stay Smart!

Steve,
It's been pretty fun
in Alg. & Reading with
you. Hope I see you in
the summer sometime.

Carol Rehnquist

Steve
You were pretty
smart in English
for a boy, just
kidding, see
ya around.

"The best thing for being sad," replied Merlyn, beginning to puff and blow, "is to learn something. That is the only thing that never fails. You may grow old and trembling in your anatomies, you may lie awake at night listening to the disorder of your veins, you may miss your only love, you may see evil lunatics, or know your honor trampled in the sewers of baser minds. There is only one thing for it then-to learn. Learn why the world wags and what wags it. That is the only thing the mind can never exhaust, never alienate, never be tortured by, never fear or distrust, and never dream of regretting.

The Once And Future King

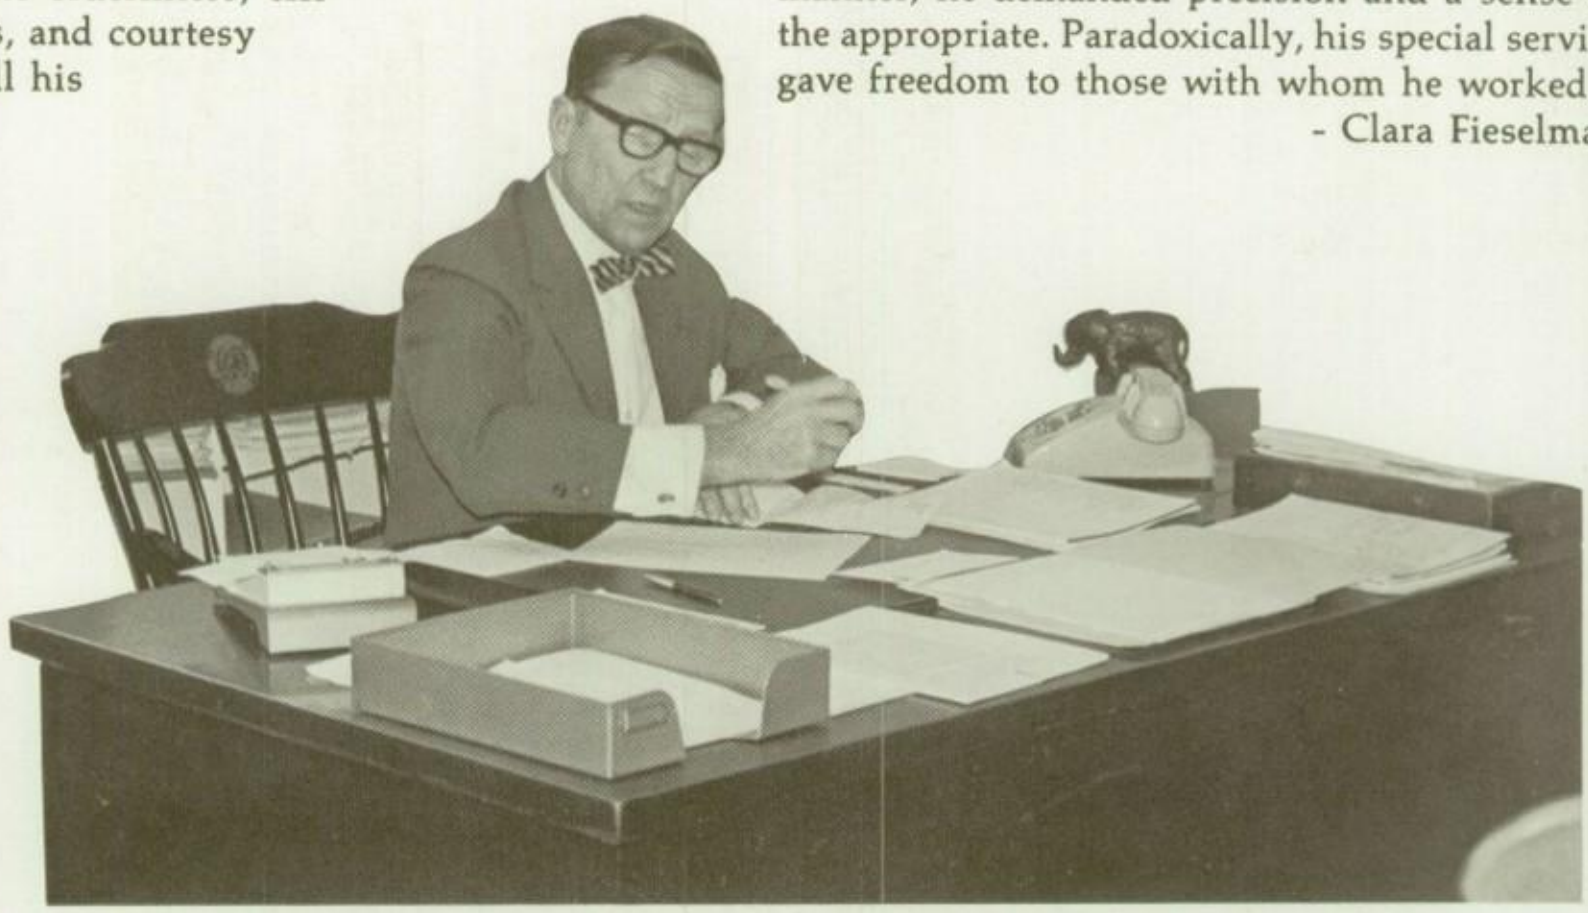
ELMER F. HIRTH

In working with Mr. Hirth on the annual Christmas Celebrations I have seen the ways in which his humanity, his concern and kindliness, are expressed through the orderliness, efficiency, thoroughness, and courtesy which characterize all his work.

-Joann Collins

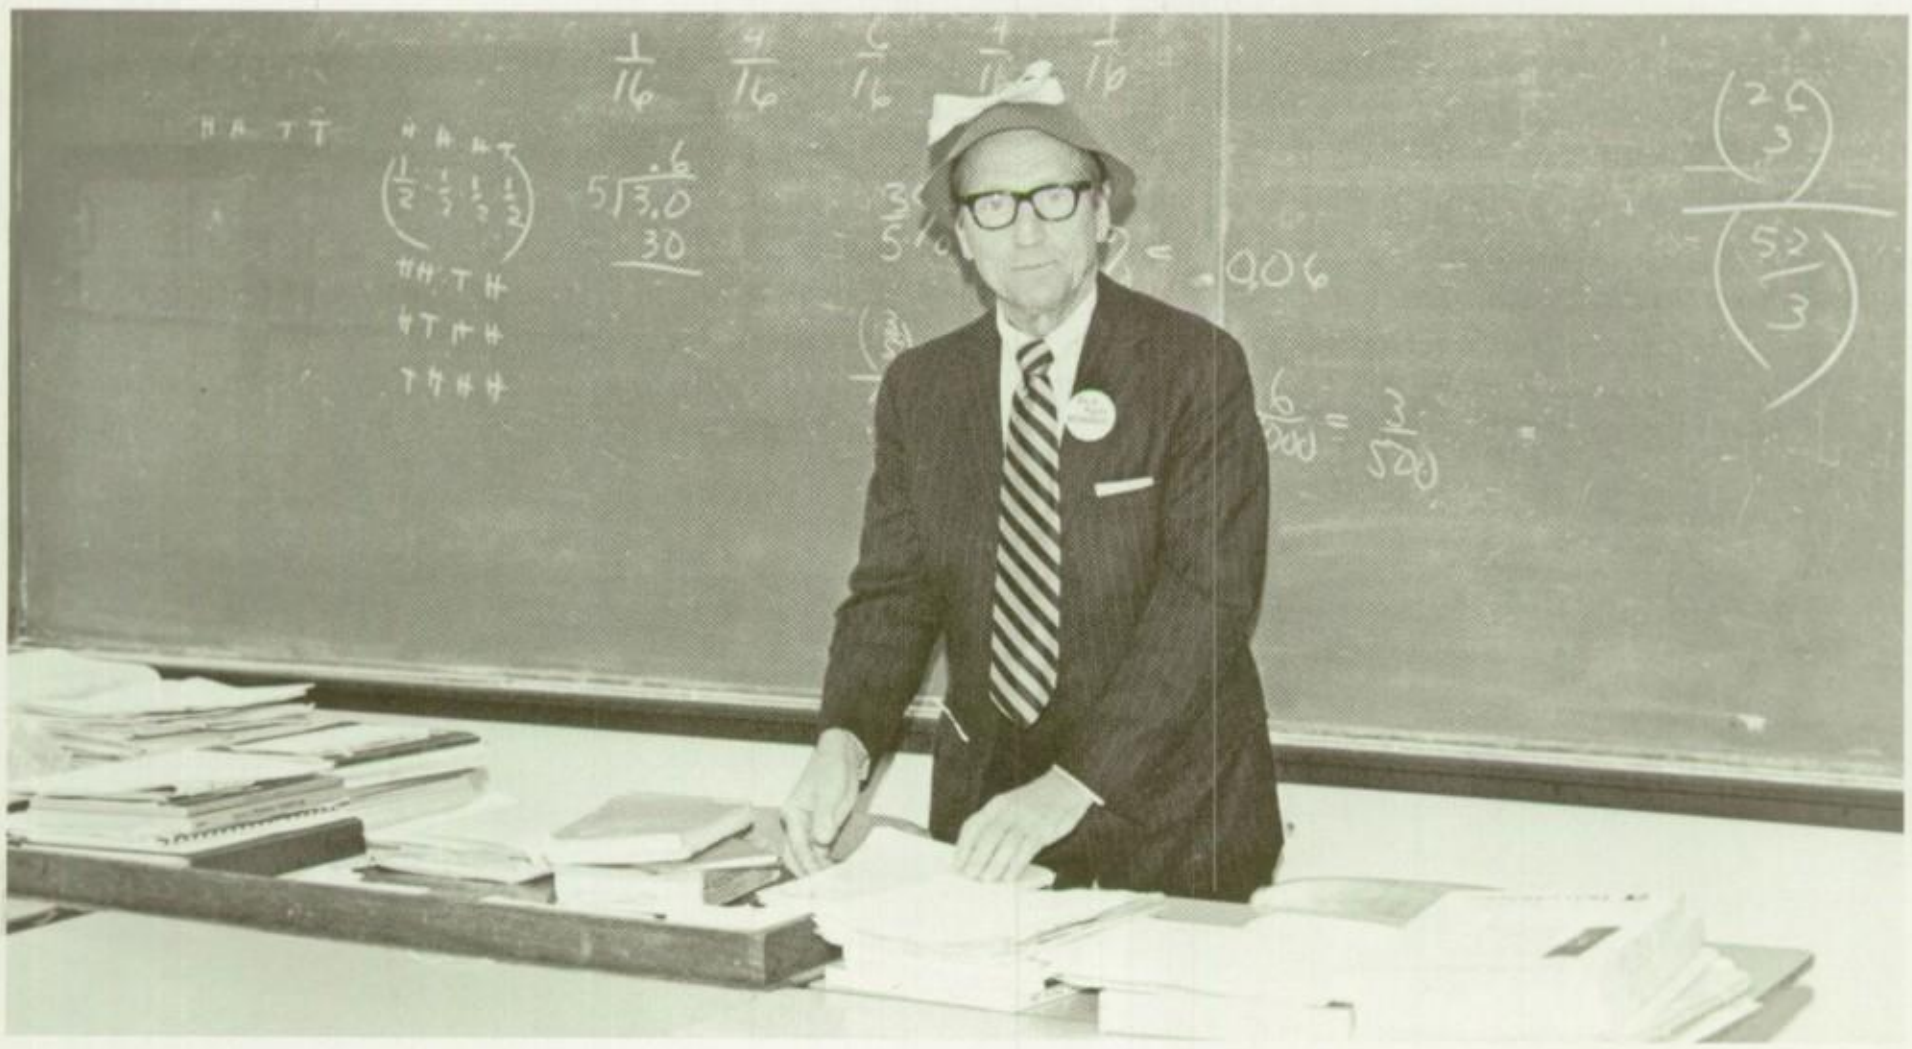
He calls the school **The** John Burroughs School; **the** for him stands as a symbol embracing a philosophy of education and a definition of culture for the school which he served in his manner; he demanded precision and a sense of the appropriate. Paradoxically, his special service gave freedom to those with whom he worked.

- Clara Fieselman



While most everyone knows the key positions which Elmer Hirth has occupied at Burroughs, only a few understand and appreciate the tremendous amount of behind-the-scenes work which he does. Elmer has a penchant for a smooth functioning school which has resulted over the years in many significant and lasting changes. A master of detail, very little escapes Elmer's attention.

- E. W. Cissel



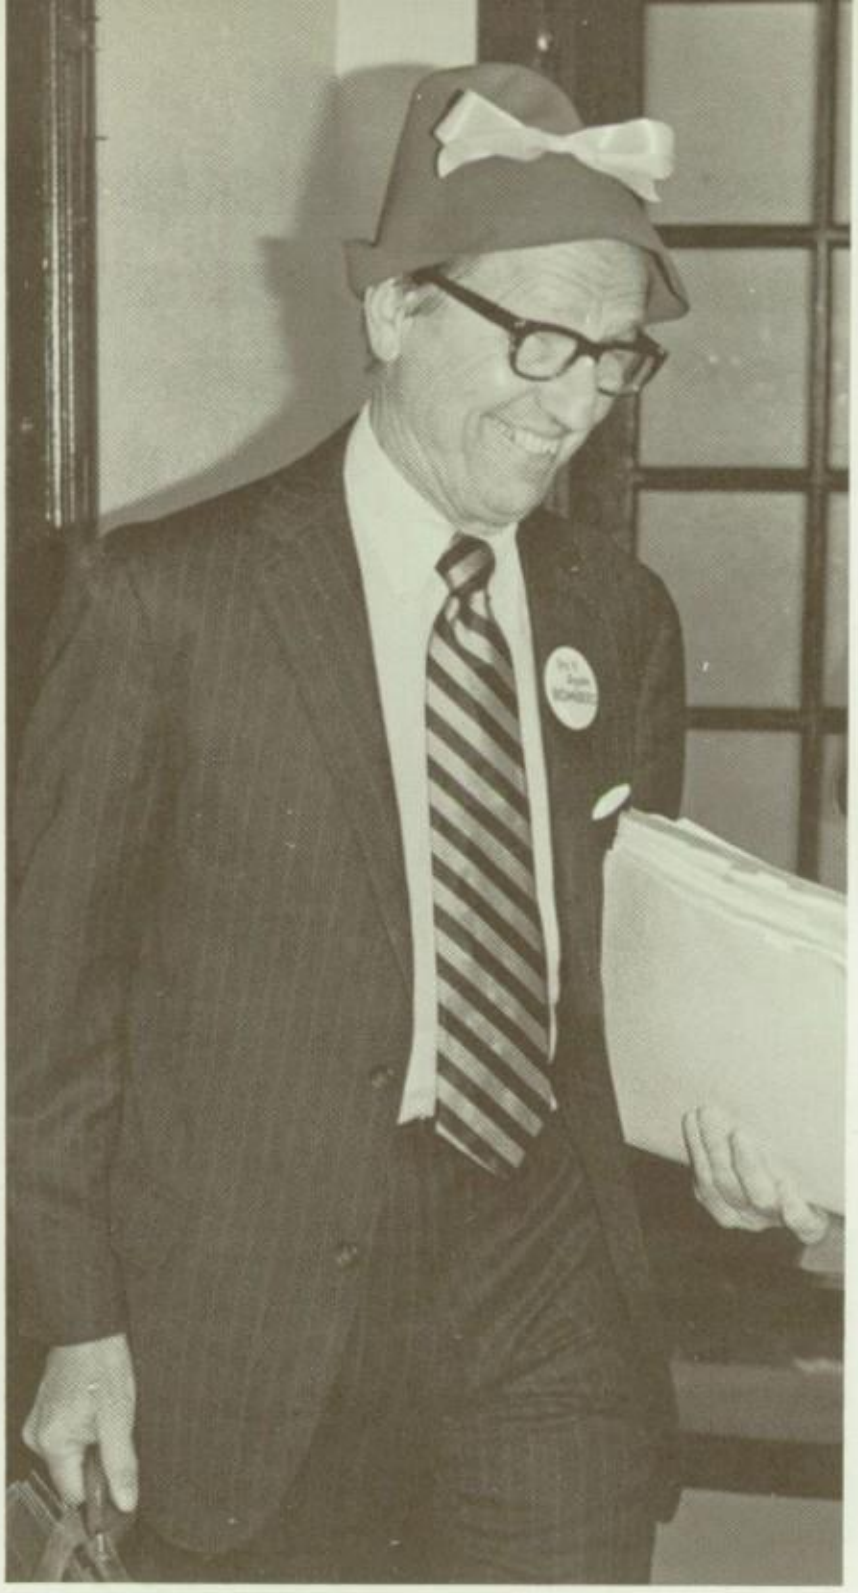
Elmer:

Your contributions to John Burroughs School as a master mathematics teacher, coach, advisor and administrator will long be remembered, but more important, we've gained so much from you as a personal friend. We will all continue to profit from this relationship in the years to come.

Sincerely,
Tom Yager

Mr. Hirth has always struck me as a man of great integrity and deep concern for excellence. The surprising element is his two rather contradictory ways of demonstrating his concerns: He can be easily triggered to action but he is most remarkable for persistence over the long run. Dependable and precise, he is at heart a warm, loving, and lovable man.

-Dora Tickner



A competitor in the very best sense of the word- in tennis- in poker- and for John Burroughs School. A man who devotes all his energies to those things for which he cares deeply.

-Bill Thomas

Mr. Hirth, you will soon be leaving the immediate day-to-day life of our school. Certainly the loss of your physical presence leaves the school with quite an administrative hole to fill, the extent of which we students are only vaguely aware. We are aware, however, of a more direct effect that your absence will have on us. Prospective students will no longer have the opportunity to be interviewed by you - to answer your direct, demanding, and sometimes intimidating questions and to work your traditional math problem - or to hear the unique pride with which you always represent our school. Ninth and tenth graders will no longer experience the fear of having you call their names at lunch, nor will they experience your caring when you call them just to see how they are doing. We will miss your faithful support at athletic contests (although we hope you won't give them up completely) qnd the exhibition of your own athletic championship in tennis games with other Burroughs faculty members (after school, of course). We'll miss both the academic and the artistic challenges with which you've presented us through your roles as math teacher and arranger of Friday morning assemblies, and through the examples you've set yourself. We were told two years ago, when you were in the hospital, that you asked for your brief case from school almost immediately after you became so ill. We've enjoyed the Jitterbug King himself, sharing his talent with us.

We're neglecting the most important part of this dedication, however, because what we really want to recognize is how we won't miss you. We feel that you have had such a profound influence, played such a crucial role in the shaping of our school into the institution that it is today, that although you won't be here from day to day, you will always be with us through the work you've done here. How can we begin to thank you?

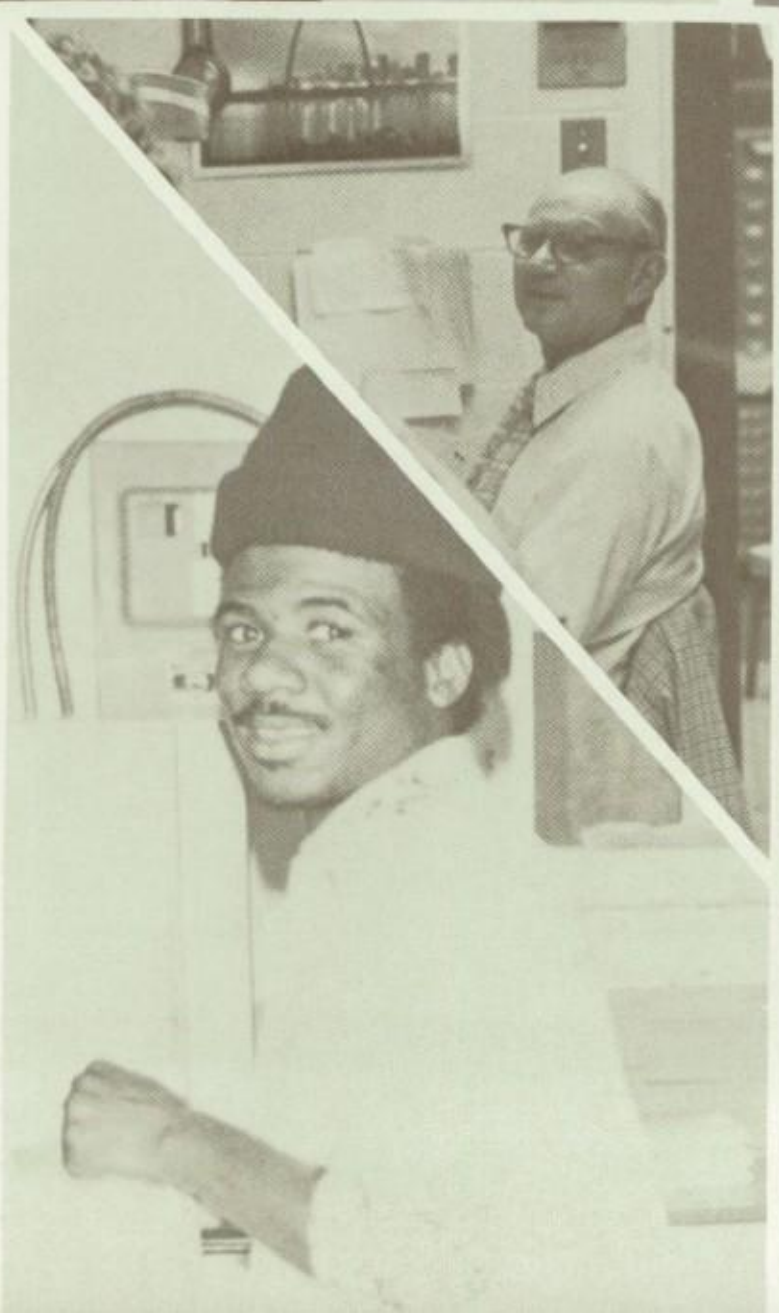
SEGO



Mr. Cissel

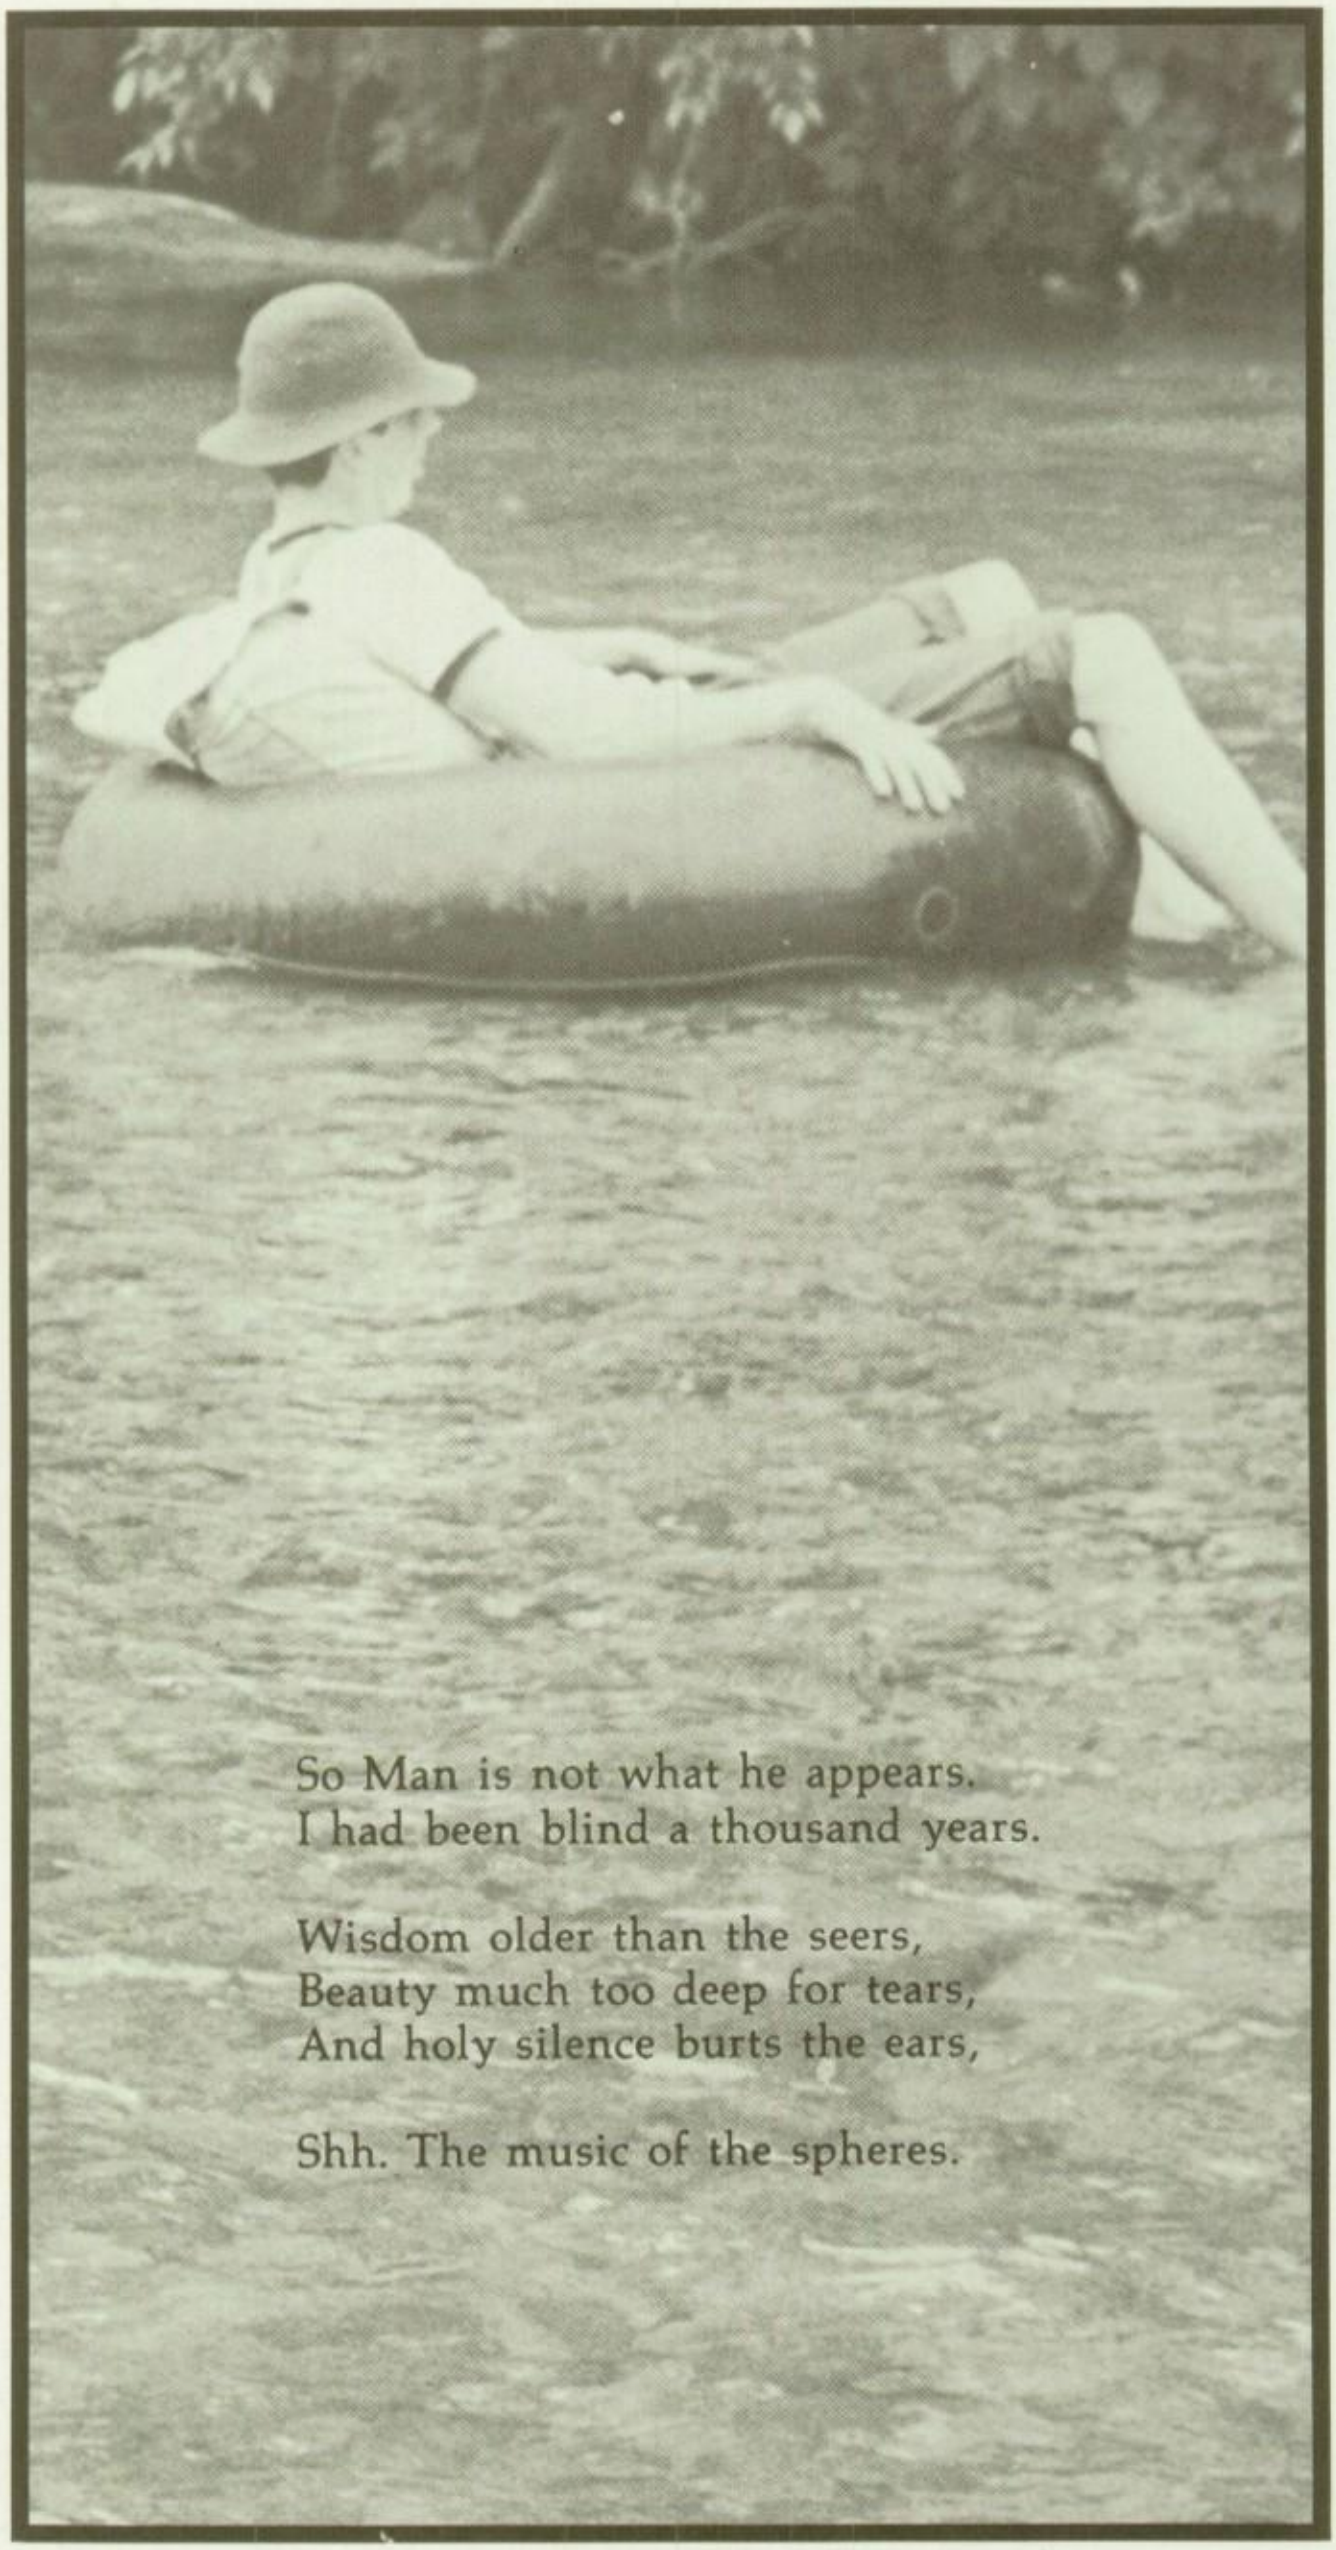
It is not what he has, nor even what he does, which directly expresses the worth of a man, but what he is.

Mrs. Harry M. Zekind

Mrs. Zekind was the headmaster's secretary starting at the Haertter administration through April 8, 1976 when she died of a massive heart attack. She was no doubt one of the top people in her field.

In the western lands beneath the Sun
the flowers may rise in Spring,
the trees may bud, the waters run,
the merry finches sing.
Or there maybe 'tis cloudless night
and swaying beeches bear
the Elven-stars as jewels white
amid their branching hair.

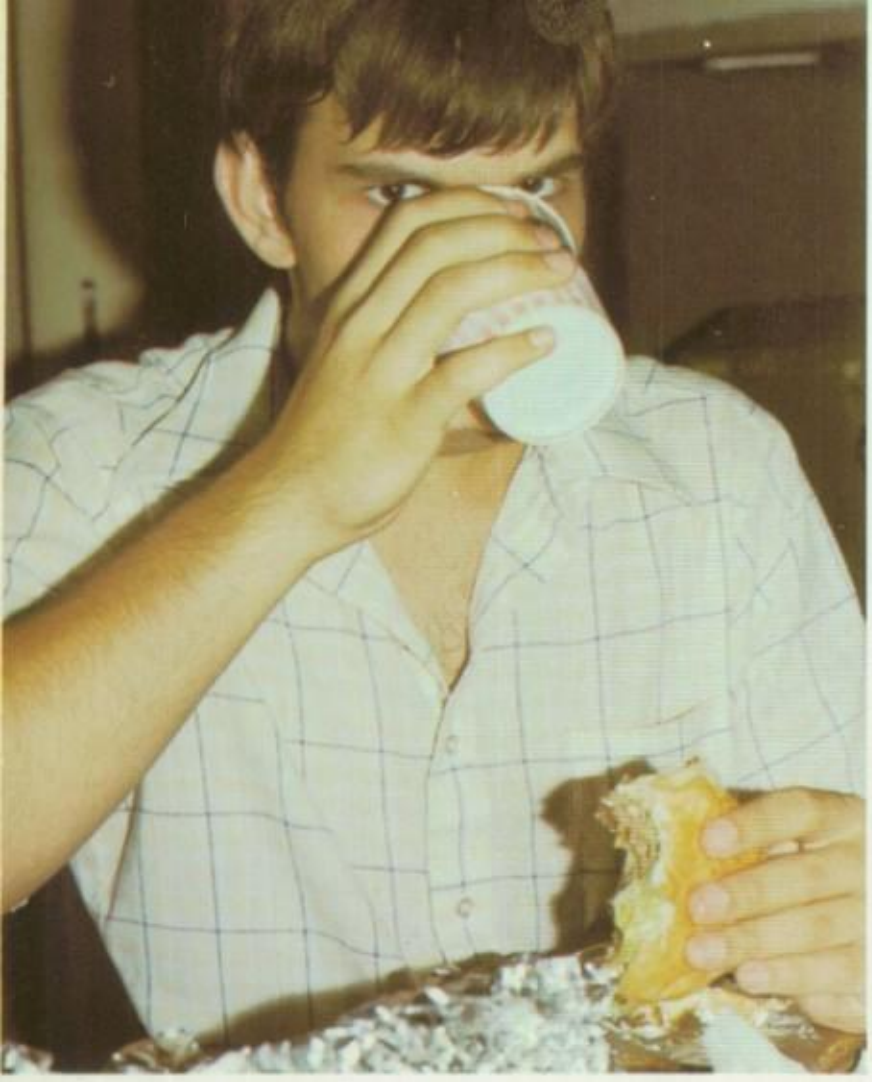
Though here at journey's end I lie
in darkness buried deep,
beyond all towers strong and high,
beyond all mountains steep,
above all shadows rides the Sun
and Stars for ever dwell:
I will not say the Day is done,
nor bid the Stars farewell.

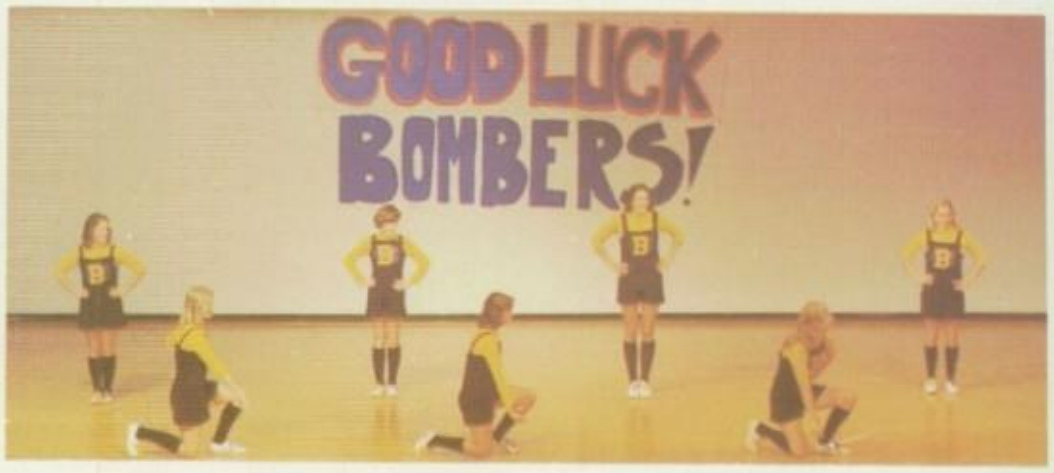


So Man is not what he appears.
I had been blind a thousand years.

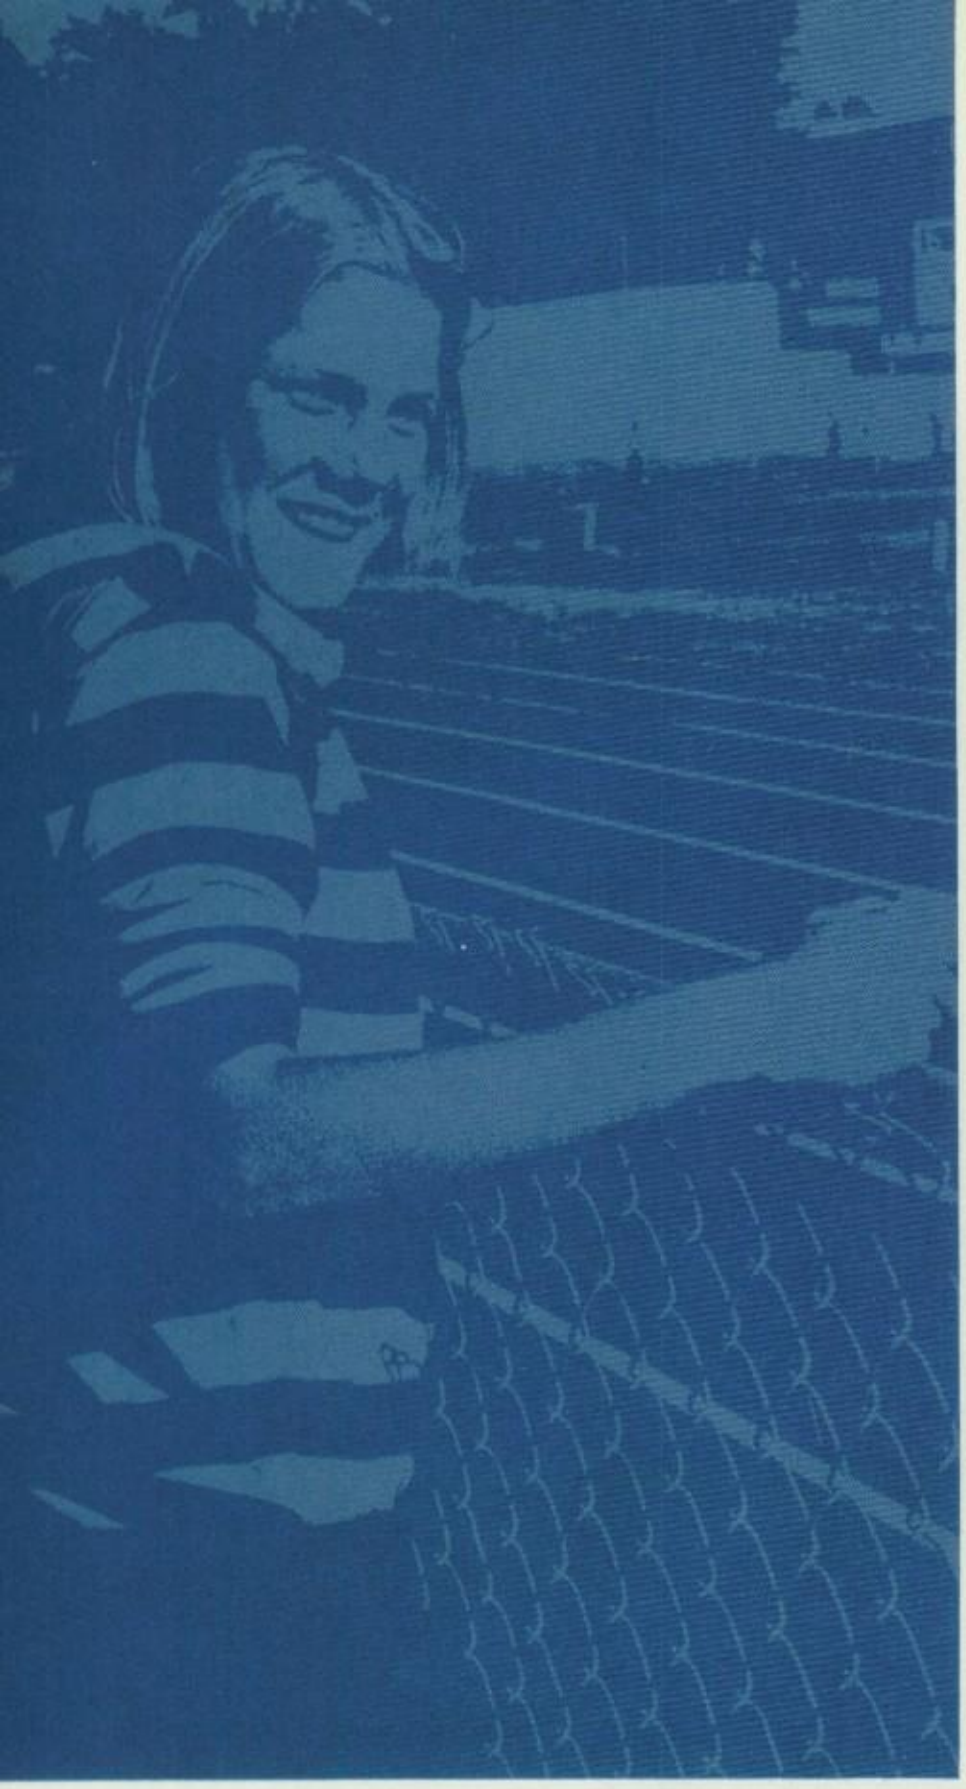
Wisdom older than the seers,
Beauty much too deep for tears,
And holy silence burts the ears,

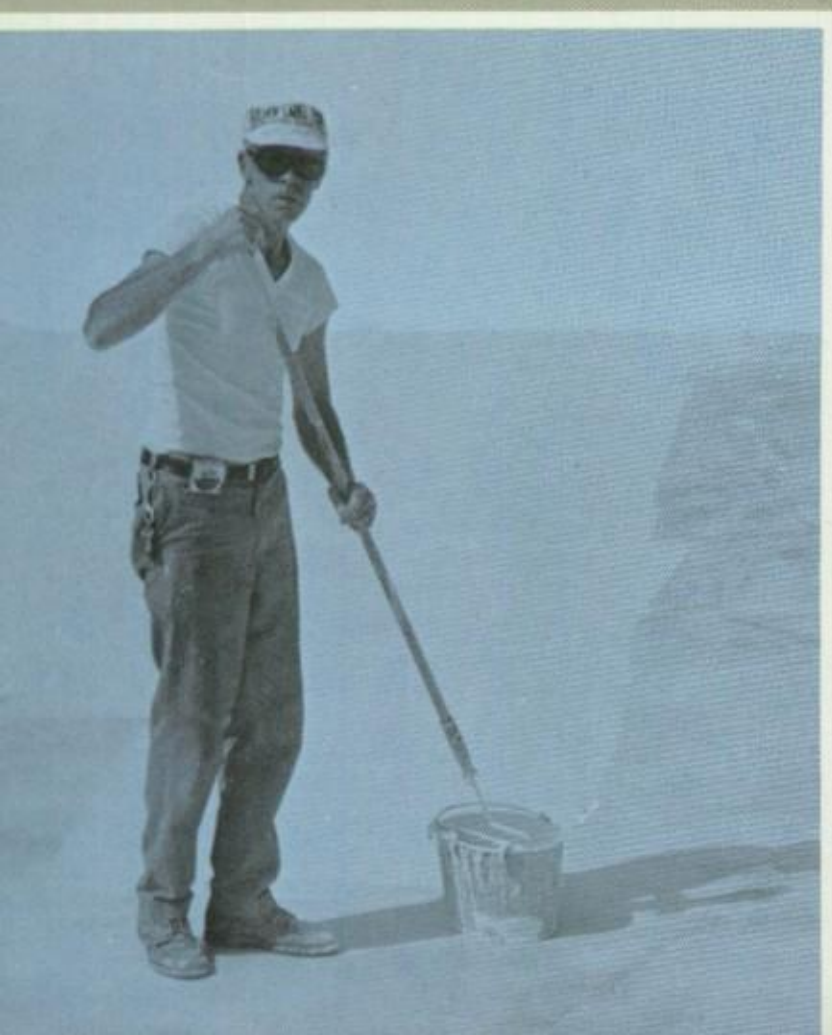
Shh. The music of the spheres.

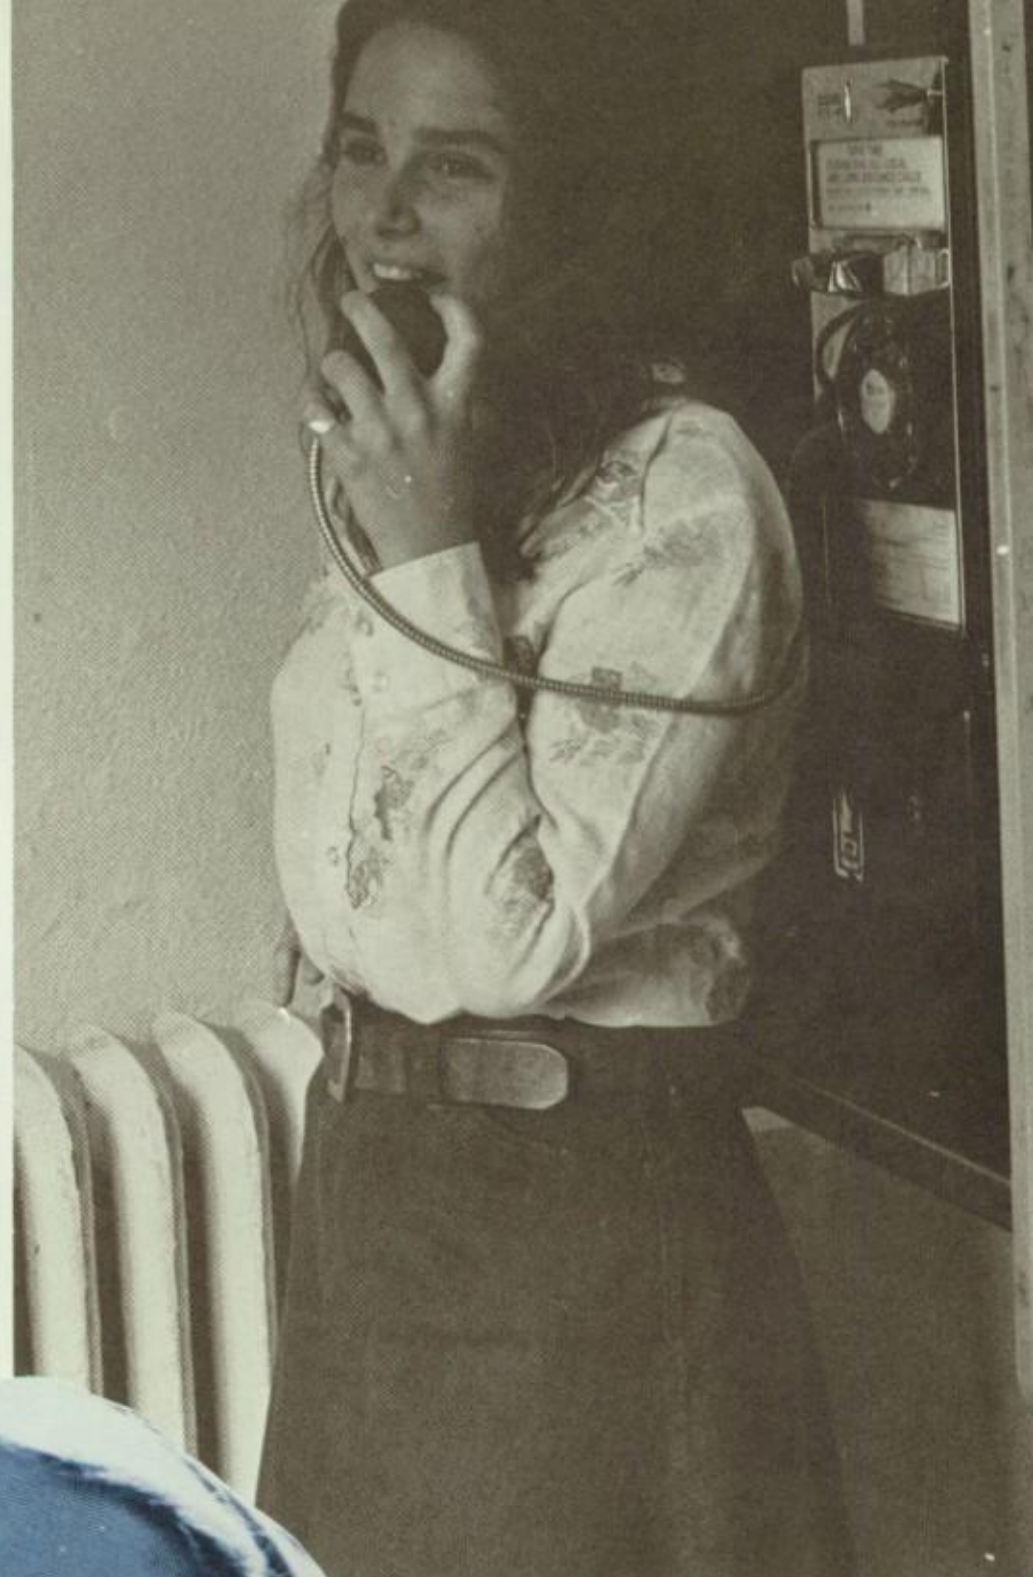


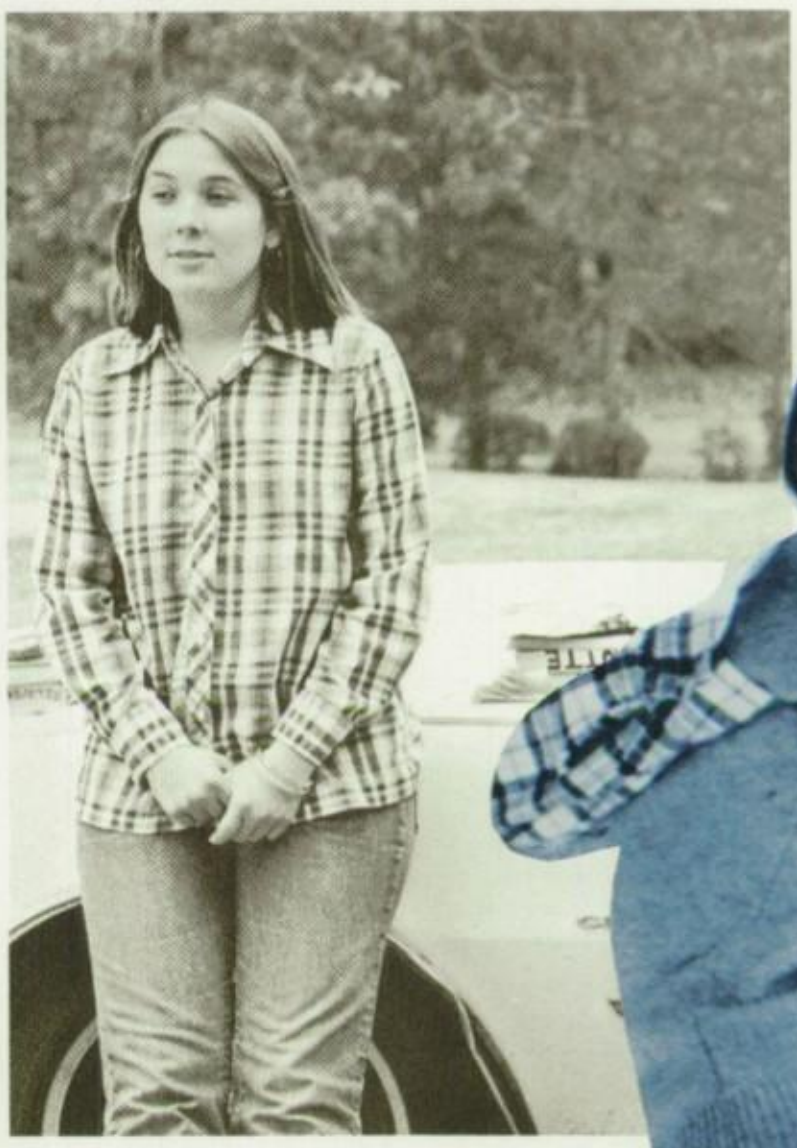


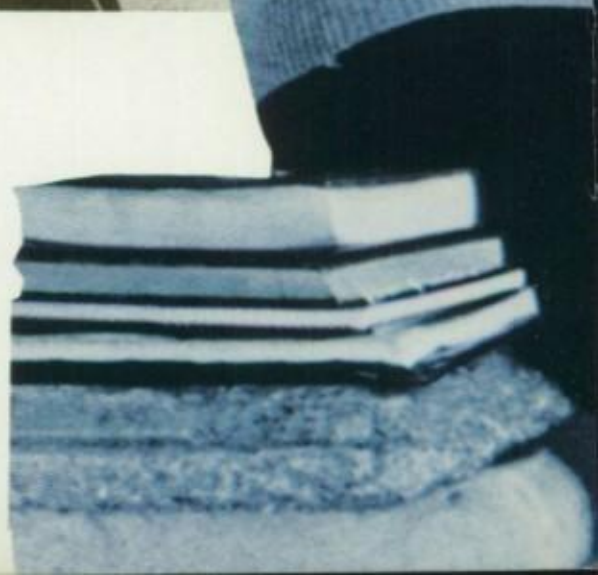
GOOD LUCK
BOMBERS!

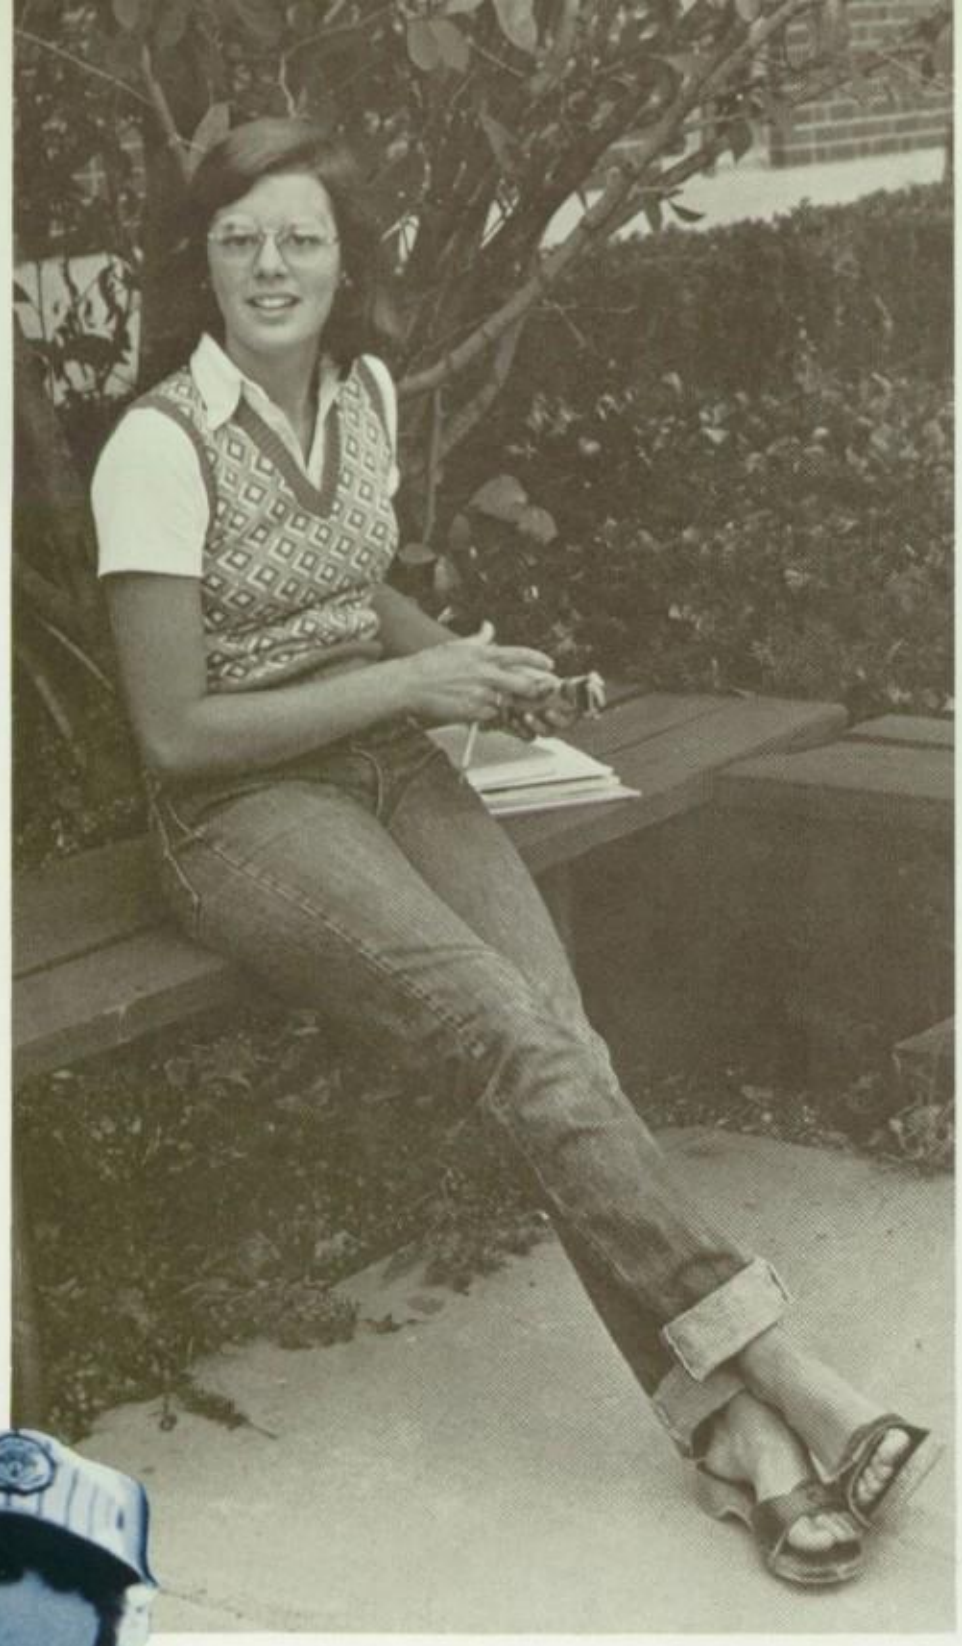




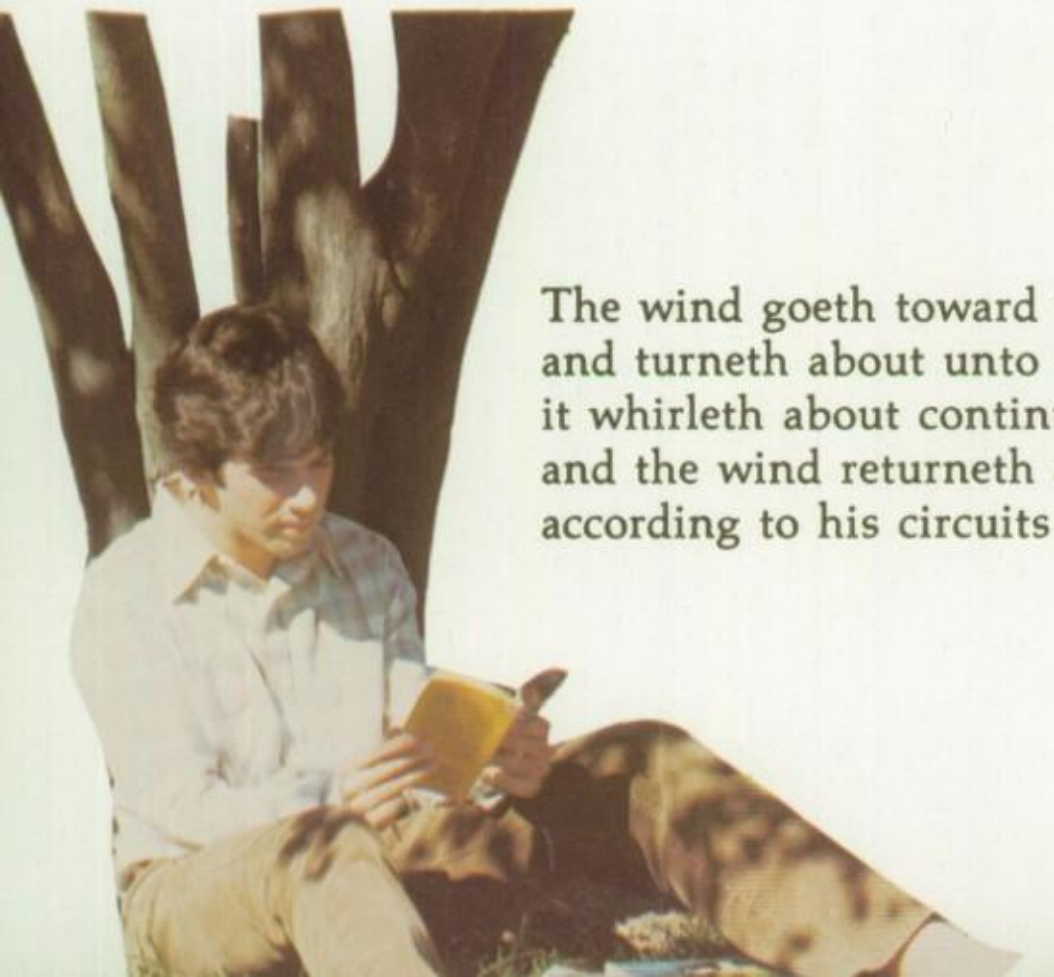




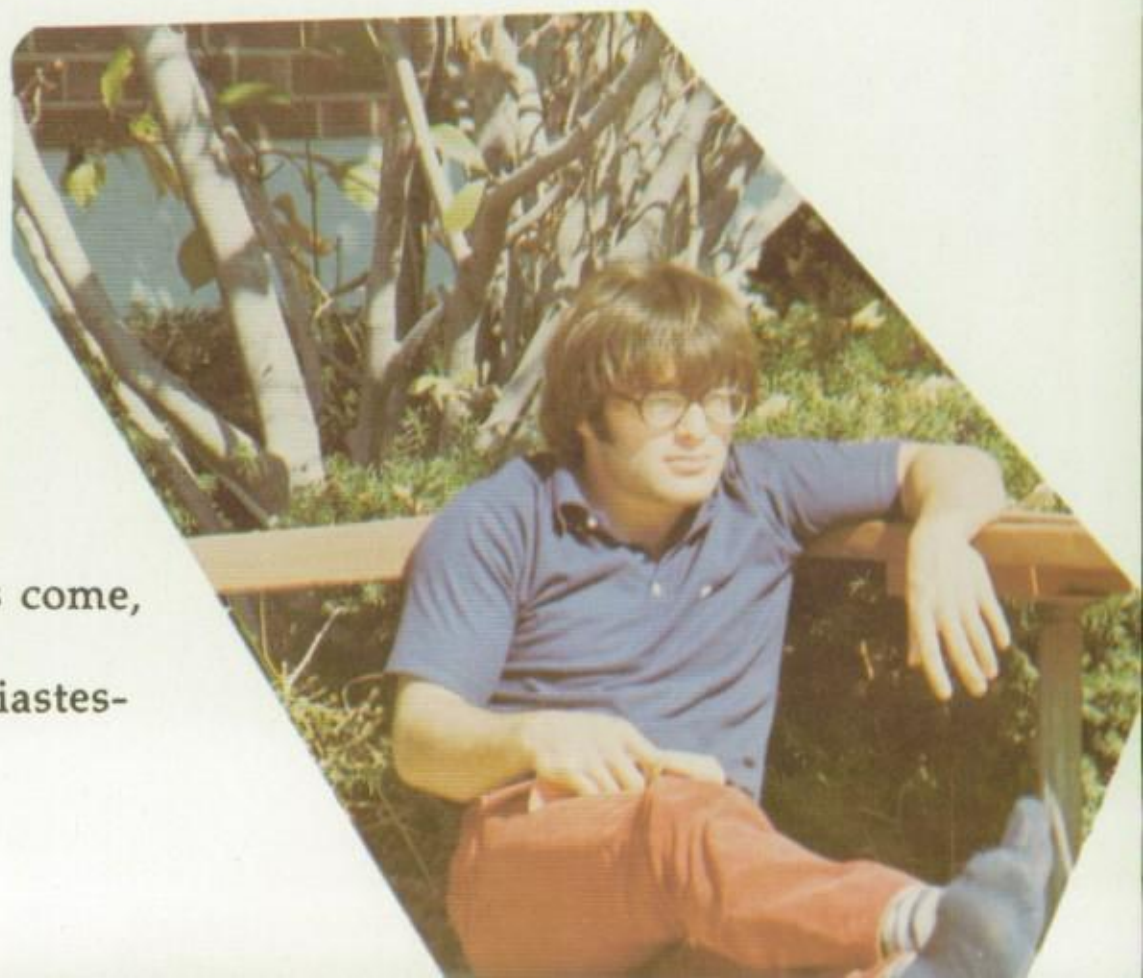




One generation
passeth away,
and another
generation cometh:
but the earth
abideth forever.
The sun also ariseth,
and the sun goeth down,
and hasteth to his place
where he arose . . .



The wind goeth toward the south,
and turneth about unto the north;
it whirleth about continually,
and the wind returneth again
according to his circuits . . .



All the rivers
run into the sea;
yet the sea is not full;
unto the place from whence the rivers come,
thither they return again.

Success

I've learned to say my name, and speak
The year, the month, the day of week
Please and Thanks with some small grace,
To know myself within the race
Of human beings where I walk.
I've learned to read, to write, to talk,
To cipher numbers one to ten.
I drop them there and start again.
I've learned the quiet of an hour.
I've learned the beauty of a flower.

Everything is made out of time
Time is the how of all of what is done
Time makes everything by hand
Even itself
The universe is hand made time
It's a form within a form in the same form
It takes time to be time
And time takes the time to be time

Everything never really is
The whole thing
Because right after
Every everything
There's a whole everything
That still isn't

We always drink the whole bottle of beer
Ride with the radio on
Join all the clubs
Use up everything as fast as we can

It's the first time I've seen early morning in a terribly long time - The sun all yellow and red, like a huge luminous peach hanging on a black shadow-tree - just visible through the mist - and the family all sleepy-eyed and sad. Cold toes and tangled hair - I don't think I'll forget this morning. It's so much nicer to wake up early - I've felt so clean and wholesome all day because I saw the sun rise -

Tell General Howard I know his heart. What he told me before I have in my heart. I am tired of fighting. Our chiefs are killed. Looking Glass is dead. Too-hoolhoolzote is dead. The old men are all dead. It is the young men who say yes or no. He who led on the young (Ollokot) is dead. It is cold and we have no blankets. The little children are freezing to death. My people, some of them, have run away to the hills, and have no blankets, no food; no one knows where they are-perhaps freezing to death. I want to have time to look for my children and see how many I can find. Maybe I shall find them among the dead. Hear me my chiefs! I am tired; my heart is sick and sad. From where the sun now stands I will fight no more forever.

Dear senior class and everyone at J.B.S.,

I will first thank all of you who made it possible for me to come here.

After that formal introduction, I must tell you that even though this year is not over yet, I am having the best time here. From smile to smile, from football game to football game, from party to party, I am having a real American teenage experience. And it is great. Because of your help I have not only learned the difference between a soda and a bagel, but I have learned too that one can make it if he tries, that things are not so complicated once you understand where you are, and that everybody in his own way is fantastic.

I must tell you too how lucky you are to be in a good academic school like Burroughs. This is a compliment to this instiution. I know what it is like to be sick of studying, but one doesn't grow up just through having fun, as one doesn't grow up just through books. Burroughs offers to the student a lot of possibilities. You wouldn't have this choice in a highschool in Europe. So far those of you who have not graduated; take advantage of this.

As Spain and USA don't have the same roots; lifestyles, values and fun really differ. There are things that I like and things that I don't like so well, but it is fantastic to have the opportunity to know another another life than the one you are used to. In that way, you can't imagine how weird it is to be a foreign student. My whole personality is changing as it becomes more influenced by this experience of picking up pieces of American culture.

Soon this year will be over. It will be strange for me to accept it. But I believe in you all and know you will take care of yourselves. I just hope you will drop me a line sometime or come visit me in Spain.

Don't desert me!

Mil Gracias
All my love,
Ana

Art is a human activity having for its purpose the transmission to others of the highest and best feelings to which man has risen. - Leo Tolstoi

A conspiracy of silence speaks louder than words.

I envision a world where I can be totally free and creative. No pressures or worries. A place where people do not lust after possessions. A society where people see things for what they really are. A place where people are never hungry or sad. *A Brotherhood of People-living in peace *-W. Bungalow

Instead of writting a typical amphigorical year-page, I chose to have some interesting and important concepts in my paragraph. However, if you are still interested in what happened to me during my interment at Burroughs, write me a letter. NOTE: Make all questions specific, all letters become property of me and no letters will be accepted after January 31, 1977.

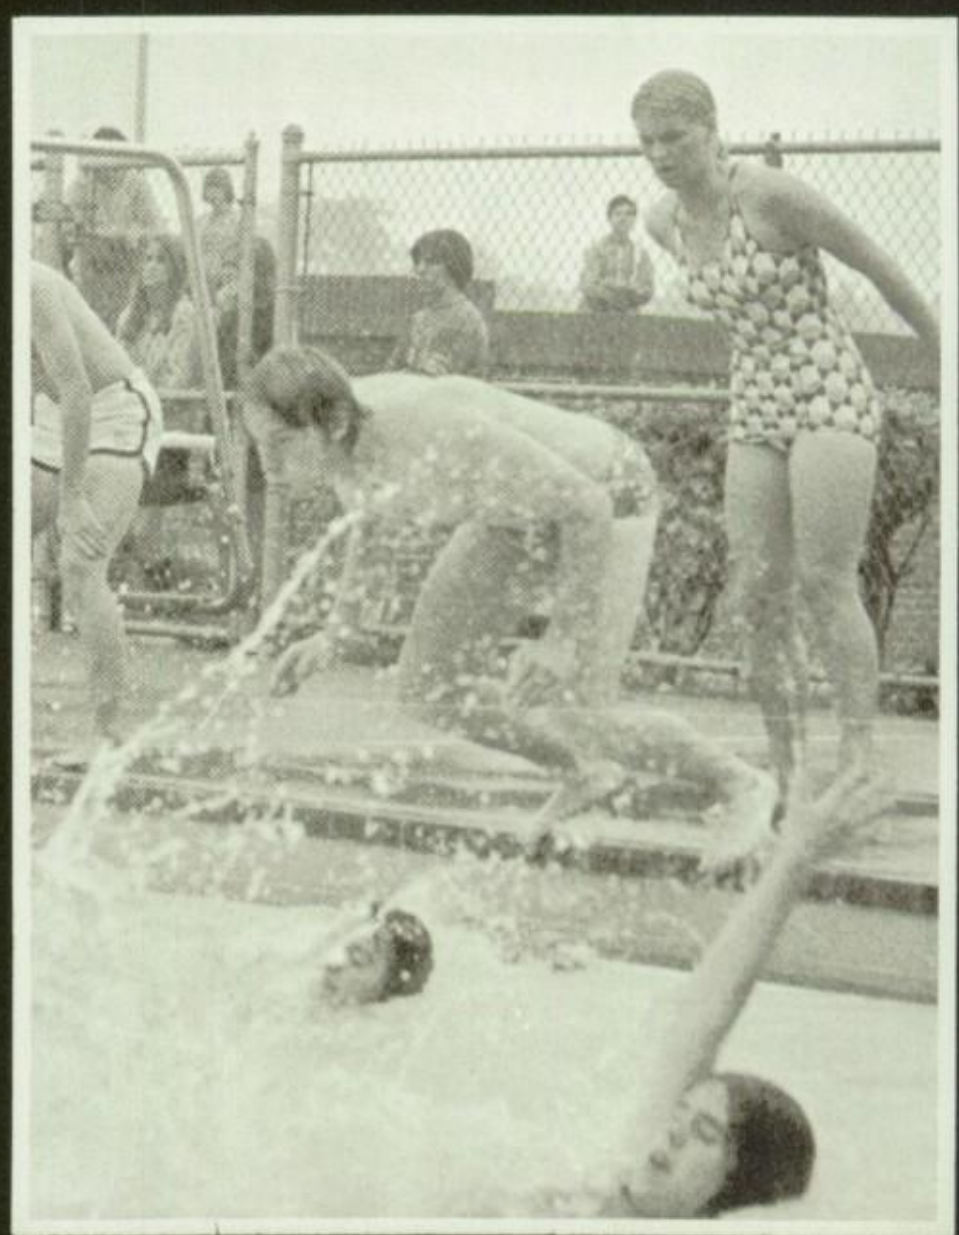
The Christmas Pageant, a J.B.S. tradition, was highlighted this year by a beautiful tableau designed by Mimi Minkoff. The tableau, a floral landscape, was a unique and refreshing change. Joseph and Mary were portrayed by David Boles and Ana Rodriguez. Other figures in the scene were Cathy Werner of the eighth grade and Mark Grady, a minth grader.

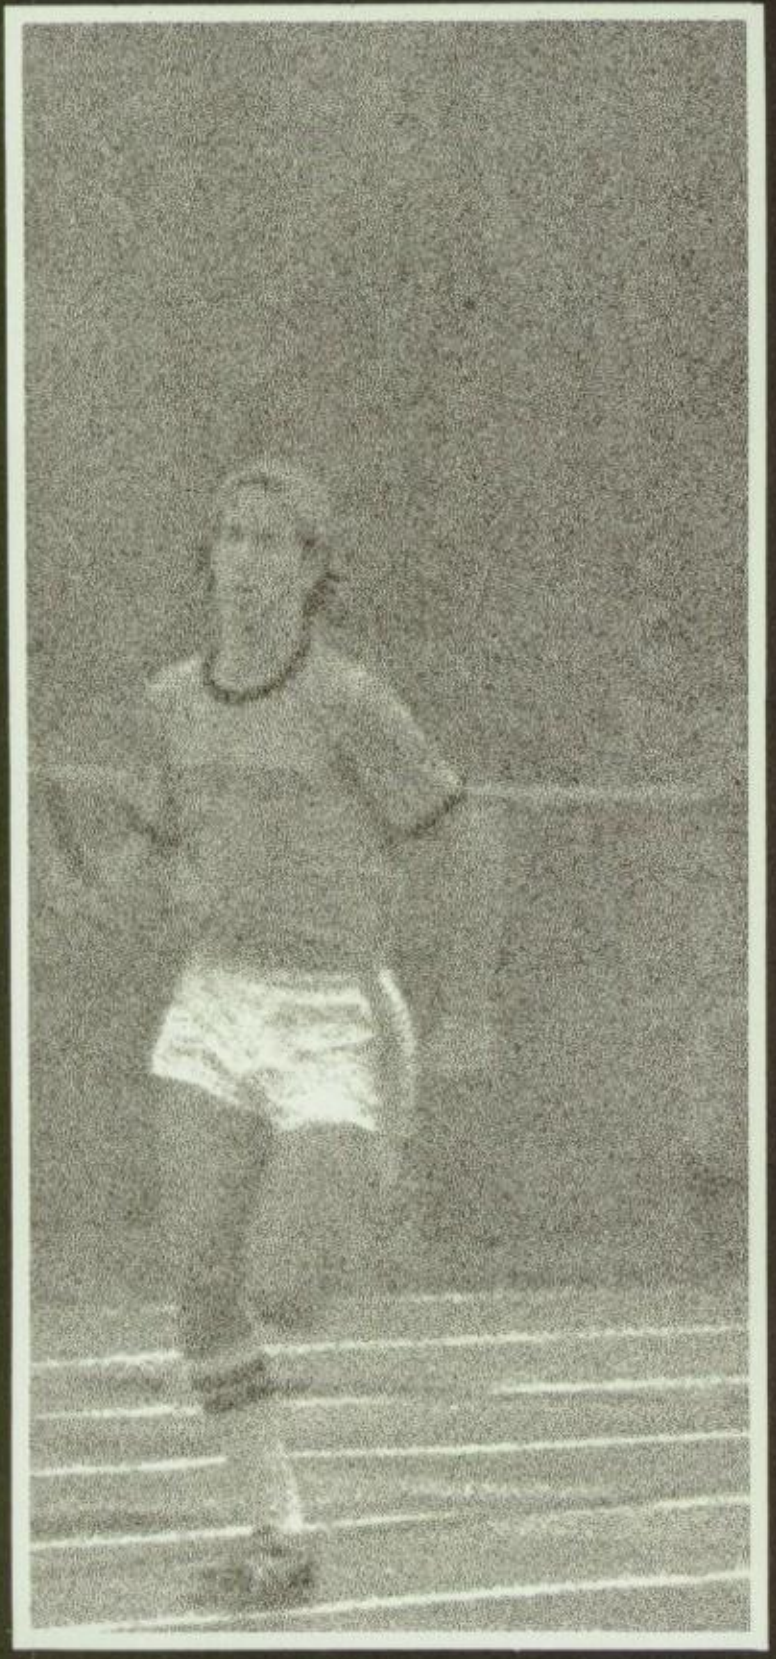
In keeping with out nation's Bicentennial, the program consisted entirely of pieces by American composers from the 1600's to the present. The Glee Club's selections were: "To Us A Child Is Born" by Johann Herbst, William Billins' "A Virgin Unspotted", Randall Thompson's "The Last Words Of David", and a cantata composed by Daniel Pinkham entitled "Sinfonia Sacra". The ninth grade Chorale chose to sing Walter Ehret's "Shout For Joy." Rennie de Penaloza and Anne Marshall were soloists in this piece. The Junior Chorus sang a cantata entitled "Matchless Is Thy Form." This selection was composed by William Shelby. All three choruses joined together to sing a piece entitled "O, Magnify The Lord With Me." The traditional carols were sung in addition to the processional, "Angels We Have Heard On High," and the recessional, "On This Day Earth Shall Ring." Mary's Lullaby was beautifully sung by Lauren Woods.

This year's Biblical readers were Bob Klostermeier and Beth Chapman. The book boys and girls were: Monique Chaplin, Brad Dudding, Susan Eades, Todd Gilmore, Bill Hughes, Steve LaPlant, Rob Lucier, Francie Nuelle, and Ann Weldon all of the seventh grade.

A special thanks goes to Miss Collins and Mr. Mayhew for constructing the Tableau, Dr. Perkins for organizing the chorus and the orchestra, Mr. Thomas, Mr. Alverson, and Mrs. Tickner for organizing the book boys and girls. Mrs. Graham oversaw the costuming and Mr. Acker and Mr. Arnold aided the narrators. These factors combined to provide the J.B.S. community with an unforgettable performance.



Field Day



Dreyland

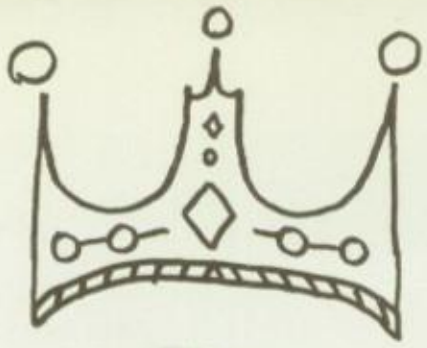
For the beauty of the earth,
For the glory of the skies,
For the love which from our birth
Over and around us lies.
For the wonder of each hour
Of the day and of the night,
Hill and vale, and tree and flower,
Sun and moon, and stars of light.
For the joy of human love,
Brother, sister, parent, child,
Friends on earth, and friends above,
For all gentle thoughts and mild,
Lord of all, to Thee we raise
This our hymn of grateful praise.

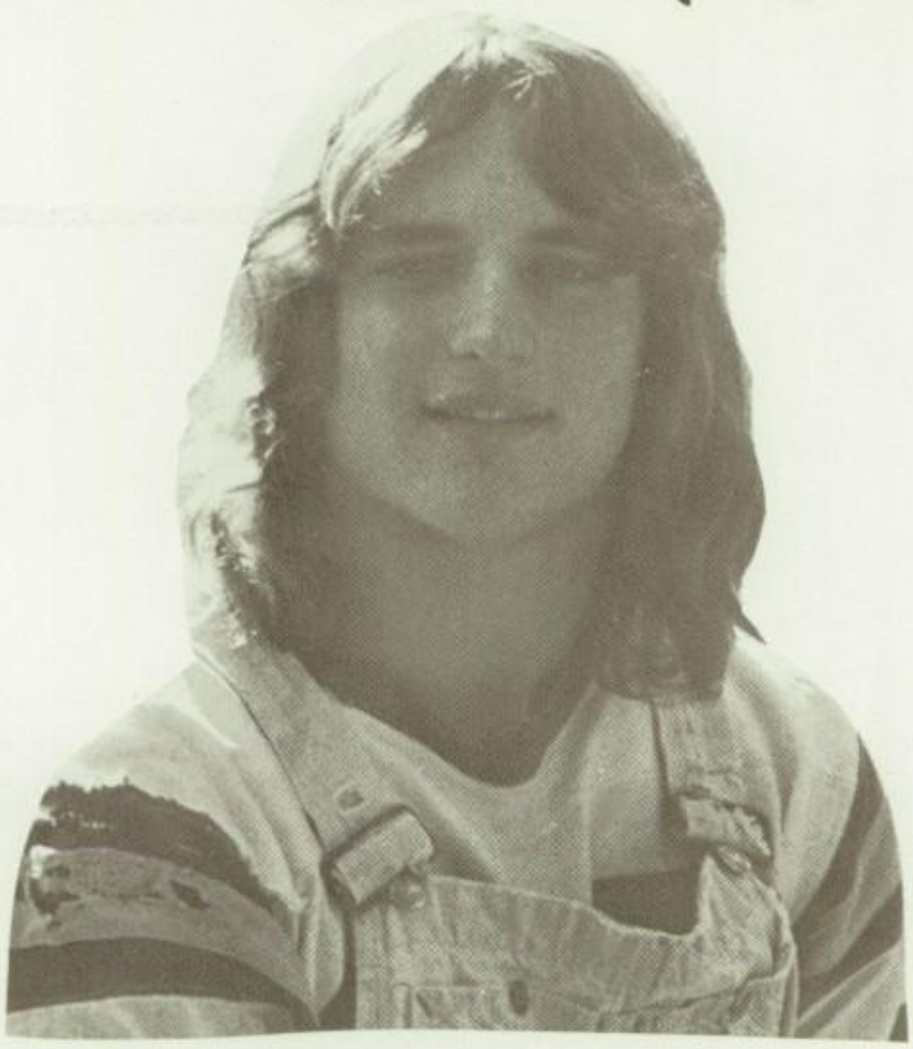
JBS holds 1st Annual Homecoming

on October 23. During halftime of the girls field hockey game against Sunset, Ms. Jacson Cleophus Stromsdorfer was crowned homecoming queen of 1976. Ms. Stromsdorfer was chosen because of her outstanding school and community contributions, but the judges were overwhelmed by her sequined jumpsuit and her Vidal Sassoon hairstyle.

The maids of honor were presented with one dozen orchids (eat your heart out Tom Pepper) and a one year supply of Tummy Control pantyhose. Ms. Tom Rosenfeld burst into tears when she was announced first runner-up. (How embarrathing) Second runner-up was Matthew Carp followed closely by Ms. Gino Gabianelli, Ms. Andy Marsh, and Ms. Todd Schnuck. Ms. Penn Krause's antics somewhat dissapointed and surprised the judges. She **showed** up one week **overdue** and remained in the background, handing out cigars.

During Ms. Stromsdorfer's acceptence speech, she received a solid gold scepter and a diamond studded(?) crown. As she took her final tearful stroll down the runway, a jealuth Steve Keith chucked in her path, screaming "It'th mine. I deserve it. I thwear." After this outrage, Ms. Stroms was tramped by the JBS Marching Alumni Band. Joe Martin, The MC, was quoted as saying "I think its jutht dithathterouth, thilly, thuput . . ." Special thanks are extended to Laney Hustace for fluting throughout the ceremony.





The Junior Prom was held at the Shaw's Gardens on April 24th. It was highlighted by the aromatic atmosphere produced by the oriental orchids in the floral display room. The evening began at 8 oclock at which time the luxuriosly dressed students arrived at John Burroughs to take a bus. The band, Mesa, played all varieties of music, including some tunes that got Bobby Sortland and Peter Shandorff onto the dance floor! Everyone made it in, except those who were late because of the ever watchful Mr. Haskins. Otherwise, it was a elegant evening, and yet it was no where near over because Lynn Gorguze hosted a spectacular After Prom Party. The band started playing at 2 oclock A.M., but the party never really got underway until 4 oclock A.M. when the tap was finally found. All in all it was a success.

When you are old and grey and full of sleep,
And nodding by the fire, take down this book,
And slowly read, and dream of the soft look
Your eyes had once, and of their shadows deep;
How many loved your movements glad of grace,
And loved your beauty with love false or true.

Priory
26-0

After four hard weeks of practice, one with the flu, the Bombers plastered the Rebels. A strong offense and statwart defense lead the game.

Duschene
17-9

Friday night under the lights in St. Charles proved profitable for the Bombers. At halftime Duschene led 9-0 but an overpowering second half by JBS, spiked Stomsdorfer's pass-interception TD, gave Burroughs a 17-9 victory. This was the Bomber's second best game of the year.

Clayton
43-0

A true ego-booster. The defense was outstanding, posting its second shutout. The offense shined as they moved the ball against a porous Greyhound defense. A team victory. The score at halftime was 6-0 but a 37 point flurry in the second half put Clayton under.

North
27-6

This was a very hard hitting game tor both teams. Burroughs was winning at halftime 14-6, and scored 13 points in the second half while the defense held North scoreless. This gave Burroughs a 4-0 record.

Prin
14-0

Due to Principia's mis- handlings of the football early in the game, JBS went ahead quickly in the 1st quarter. The defense held Prin scoreless.

Jennings
20-14

A hard-fought close game from start to finish. Tom Rosenfeld and John Medart connected on several pass plays to save Bomber drives. The defense held the Warriors' offense in check to seal the victory.

Pembroke
11-8

This was the beginning of the mud-run. This game was played in a torrential downpour. The score was 0-0 at halftime, but Pem-Day went ahead in the third quarter 8-0. With only minutes to play the Bombers tied the score. In the waining moments Bobby Paletta booted a 35 yard field goal to win the game.

South
17-0

Second weekend of mud. Burroughs outclassed the Lancers in every way. The score would have been much higher had the weather not been so poor. Burroughs was ahead 6-0 at halftime and added 11 points in the second half to win 17-0. The defense scored its fourth shutout.

CDS
14-18

After eight straight victories, the Bombers played their arch-rival CDS. The Bombers chalked up 14 points in the first quarter showing a powerful offense, but in the second half CDS scored 11 points and held the Bombers scoreless.

"B" Football

The 1976 "B" Bulldogs team ended its season with a heart- breaking loss to Country Day. The team, however, finished with an impressive 6-2 record. The team started the season with an 8-0 win over Brentwood, which unfortunately was followed by a 22-8 loss to a much larger Ft. Zumwalt team.

The team was comprised of representatives of every class in the upper school, with members of each in the starting line-up. This years team leaders were Dave Sherman and Dave Hatfield. The "steakhouse gang" would like to thank Coaches Stevens and Moore for their time and knowledge. The spirit and fun that has been a predominant factor throughout Burroughs "B" team history was never lost in this years squad. Best wishes are extended to Mr. Stevens, Mr. Moore,and upcoming "B" footballers by this years team.

"C" Football

The 1976 "C" team Eagles ended up their season with a 30-30 tie in the Country Day game. The Eagles were led by quarterback Ted Doheny, running-backs Ken Post and Gil Meletio and sophomore end Ken Ellis. Special thanks to Mr. Gardner and Mr. Koprivica. As always, Mr. Gardner used his skills to coach the backfield, while Mr. Loprivica coached the linemen. Both made the season a winning one and most importantly, a learning and fun-filled experience.

The Bomberettes had an outstanding record of 10-1-2 this year. The team worked exceedingly well as a unit under the strategic coaching of Skippy Keefer and Beth Williams. Many of the opponents were overcome by the system and the players' skillful manoevers. Starting in August with hockey clinics, the season promised to be the greatest! After a setback by Ladue in the beginning of the season (1-0), the team bounced back and concluded its season with 10 wins and 2 ties with Villa and Cor Jesu. The Sunset games were a particular highlight of the season even though they were played in the rain and mud. The practices, if they can be called that, were made more amusing by the team members than expected by the coaches; however, they never seemed to influence the playing of these jockers. Overall, the season was a successful one, and the "A" team wants to extend their many thanks to Mrs. Keefer and Beth for a fun season..

Thank you Beth and Mrs. Keefer for a really great season!

CROSS COUNTRY

With the loss of three of our top runners, this was a rebuilding year for the cross country team. From the standpoint of enthusiasm and the growth of interest, it was a successful year. Seven new runners went out for the team this season. Cross country is one sport in which each member of the team has the chance to participate in all of the practices and meets. With Mr. Schandorff's enthusiastic encouragement and personal interest everyone was able to show a good improvement in their times. Since eight runners are returning, the cross country team can look forward to having a strong and successful season next year.

A Varsity Basketball

What this year's A Basketball team lacked in victories, it made up for in excitement. The 7-14 record seems unsuccessful, however contained within the record were many outstanding team efforts.

Early in the season the Bombers played poorly, losing 4 of their first 5 games. Once through the Christmas Tournament at Codasco the defense improved steadily. The A team lost a close one to Codasco, with the help of some "stupendous" refereeing. Then a defeat came at the hands of Lutheran South despite a brilliant first half by the Bombers. Victories over North and Priory were achieved, despite low shooting percentages. Prep South proved victorious over the Bombers on a 30-foot shot at the buzzer.

Two of the most exciting weeks of JBS Basketball were displayed in mid-February. On Feb. 11th the Bombers defeated CDS by one point in a pressure packed game. The following evening, despite outplaying North everywhere but the foul line, the Bombers lost on a hotly disputed 70 foot shot at the horn. The following Wednesday the team played one of its finest games of the season against Luth. South. Though the team lost by one point the effort put forth was impressing to anyone involved in athletics. The next Friday the Bombers blew No. Co. Tech out of the gym, led by John Grady's 29 points.

In the regional tournament JBS defeated Principia by 12 points, after losing to Prin on 3 other occasions. CDS beat the Bombers in the semi-finals, thus ending the season.

Grady led the team's scoring with a 16 point average. Tom Rosenfeld, Andy Marsh, David Hatfield and Penn Krause played well all year in both forward and guard position. Mr. Moore is to be congratulated for keeping the team playing with such intensity game after game. The season was successful as well as enjoyable.

B Basketball

The B-Basketball squad compiled an 8-10 record overall, and a 3-7 league slate. The team lacked depth and overall height, and they sometimes suffered from a loss of court savvy, however Jim (Glib Master) Lemen did everything but sweep the floor as the resident coach, general manager, cheerleader and part time water boy. Because of the B teams record, Lemen could no long boast of coaching a league championship team, but rather derived satisfaction by watching a group of young B-Ballers grow and mature into responsible young athletes.

The team consisted of Will Shearburn, Stan Martin, Nick Holekamp, Tom Kohn, Bob Agler, Mike McGinley, Nap Maminta, Dave Schenber, John Koman and Paul Daniel. Mr. Lemen substituted freely and even went so far as to experiment with the platoon system. Scoring was balanced with several players averaging in double figures. Anyone who witnessed any B ball game knows that the team took tremendous pride in their tenacious defence.

All the members of the team wish to thank the water boys and stat. men, Skip Joseph, Mark Spengler, Steve Mangelsdorf and Dave Jick. The entire B squad wishes to thank Mr. Lemen for his patience and understanding. They will also miss the long trek to the Community School gym. Everyone looks forward to starting on A team in the future.

C Basketball

The "C" basketball team began its season with high expectations, as they compiled a 3-1 record early in the season. These victories were due to some excellent outside shooting. As the season progressed the "C" teamers ran into some powerhouse teams which totally dominated play. The record quickly fell to a below average 5-10 at the end of the season.

A few bright and exciting moments during the year were last second desparation shots to beat Principia and Neuwoehner, and an overtime victory against Priory. Taking the good with the bad, the "C" teamers have a bright future ahead of them if they continue to develop their individual skills, and become better team players. Special thanks to Coach Bruce Westling and his assistant Bill Essman, a senior who volunteered his time and effort to building the efforts of "C" basketball players.

The A Girl's basketball team started the season with high hopes. The team consisted mainly of veterans of last year's A and B teams, but newcomers Cathy Dunker and Beppy Krause also added their efforts to the team's.

The record was definately a disappointment. The one win that the team did achieve was against Mary I. The team would like to thank the B and JV players who helped out when they were much needed. Also many thanks go to Coach Skippy Keefer for her efforts and patience.

J.V. Basketball

This year's J.V. basketball team was not undefeated, however the players gained a year of profitable experience. Coach Sue Greditzer helped improve the team's special skills (everything from dribbling to line tags!)

The team defeated St. Mary's and Visitation and beat their arch rival, Mary I., one out of two games. The Girls From the Nunnery squeezed two games out of the Bombers. Many thanks to Sue and just wait 'til next year!

A Soccer

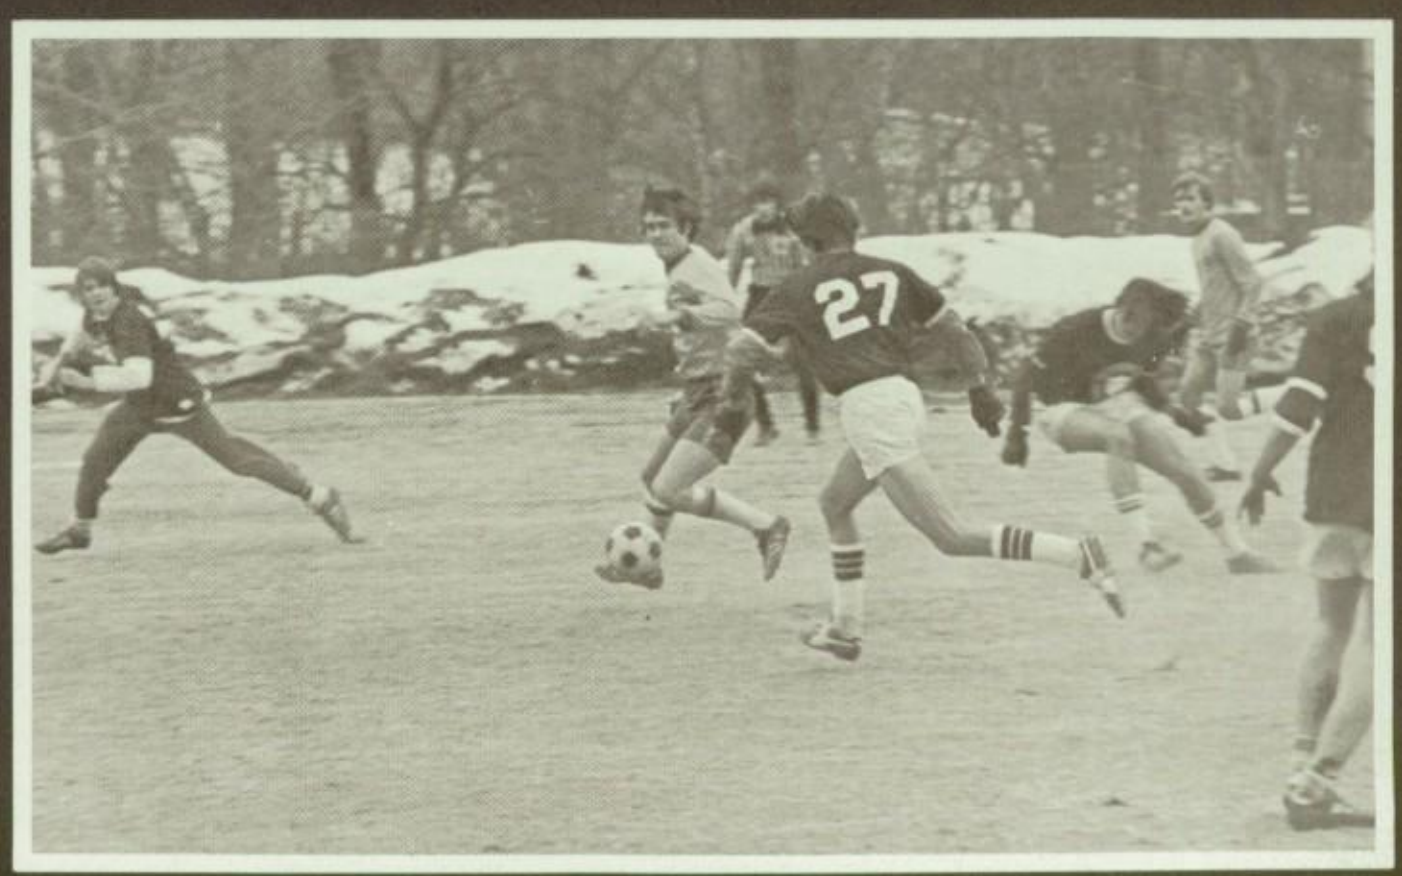
This years varsity soccer team has been the most pleasant surprise to Burroughs sports audiences in years. After eleven games have been played (three games still remain to be played) the Bombers have compiled a record of 8-2-1.

The Bombers posted two pre-Christmas victories over Duschene and Prep North by socres of 3-1 and 1-0. Foul weather denied the Bombers an opportunity to play a third game.

Along with the New Year came heavy snows which kept many other league teams from playing or practicing. But the inclement weather did not deter the Bombers from playing, thanks to the diligent work of coach Ray Beckman, who repeatedly plowed the soccer field after each snowfall.

Coach Beckmans' efforts allowed Burroughs to get a head start on every other league team. The "kickers" ran their unbeaten streak to eight games including one victory over arch-rival Country Day and another victory over powerhouse Priory. Unfortunately though, the Bombers ran into a slight slump and were unable to win a game in three tries.

Leading scorers are Steve Schmid with 6, Steve Keith with 4, Dave Jones with 3, Dave Boles, John Medart and Dan Rubenstein with 2, and Joe Martin with 1. Again, many thanks to Coach Beckman for his fine coaching job and hard work, all the soccer players enjoy Ray, despite his jokes.



1st Row: Cornwell, Rogers, Maritz, Grace. **2nd Row:** Sherman, Porterfield, Rosenheim, Taylor. **3rd Row:** Sevrin, Lippman, Renshaw. **4th Row:** Koster, McNett. Absent: Everyone not in the picture.

B Soccer

This years "B" soccer Bulldogs had an excellent season. They ended the season with a 9-1-4 record and placed second in league behind co-champions Luth. No. and Priory. The Bulldogs outplayed all their opponents, but due to peer officiating and inability to put the winning goal in the net, the Bulldogs ended the season with four frustrating ties. In particular, both games against C.D.S. were controlled by Burroughs, yet ended in ties.

Highlights of the season included a very rewarding 3-2 victory over Priory, and a one sided 7-1 contest against Prin. The leading scorers for the season were: Chip Grace 8, Murphy Rogers 7, Don Whelan 7, Milton Cornwall 4, Scott McNett 3, Glenn Forrester 2. Much of the success of the Bulldogs came from the strong defensive play by fullbacks Rogers, John Goessling and goal tending work by Eric Porterfield.

Next years "A" team should have a very good year. The entire team would like to thank Mr. Gardner for his fun practices and excellent coaching.

First Row: Mr. Gramse, Calhoon , J. Altvater, S. Pruett, J. Behrens, E. Delante. **Second Row:** Sterkel, Graviss, McKeel, M. Jones, Talbott. **Third Row:** Post, Frymoyer, T. Meyer, Weil, Tombaugh, C. Johnstone, Pearson, Edison, J. Ross, Cornwell.

C Soccer

This year the C soccer team ended their season with a 5-3-1 overall record and a 5-2-1 league record. Scoring leaders were Chris Graviss (5 goals), Meredith Jones (4), Jim Behrens (3), Shelby Pruett (2), Kenny Post (2), John Ross (1) and Andy Cornwell (1). Much of the Eagle's success is due to the fine defensive work of the halfbacks and fullbacks. Extra special thanks to Mr. Gramse for his fine coaching.

1st Row: K. Walter, K. Grossman, M. Toole, G. Grimshaw **2nd Row:** K. Samuels, J. Woods, M. Morrissey, B. Davidson, C. Woods, N. Grant, S. Graham, B. Williams, L. Woods

Soccer

In 1976, the J.B.S. Girls Soccer Team had another winning season. The Bumblebees record was an impressive 8-2-2. Several of the last games were cancelled due to bad weather which prevented the Bee's from playing a rematch with their arch rivals, Ladue (Ladue beat the Bee's 3-1 earlier in the season.) The '77 team will deeply feel the loss of veteran seniors Lauren Woods, Mickey Morrissey, Kelly "Hat-Trick" Walter, Libby Sharp, and the meanest fullback this side of hell, Tracey Beisman. Though the seniors contributed a lot of the team's record, the lower classes pulled their own weight, showing much potential for future seasons. The development of which will be left up to coach Beth Williams who did a fine job with the Bee's in 1976.

Front Row: Mrs. Pliakos, J. Behrens, N. Reed, K. vonGontard, P. Curlee. **Second Row:** J. Woods, L. Entzeroth, J. Burst, L. Hobler, C. Hamilton, M. Lebens, Peachy, T. Holekamp.

Wrestling

This year's wrestling team was perhaps the most successful in many years because of a surprising amount of depth and experience. As a result, Burroughs finished its season with a .500 record. The biggest highlight of the year was the team's first tournament win. Veteran seniors, with consistent wins, made up for the lack of experience in the younger team members.

Burroughs advanced Matt Kayes and David Sherman to the State tournament this year. Both Matt and David had excellent records of 19-5 and 20-4 respectively. David was District Champion. Matt took second in Districts and sixth in State. Both Matt and David had an excellent year, compiling six gold medals, four silver medals and one bronze between them.

Joe Sparks had an excellent record and good tournament showings, placing third in Districts. Sophomore Scott Cummings wrestled well and compiled the team's point lead. The total team consisted of Ted "Shakey" Shaikewitz, Kurt "Bloody nose" Monnig, Dan "The Blue Flame" Young, Joe "Did you make weight?" Sparks, Derek "We try harder" Cohen, David "Gross jokes" Ballinger, Joel "HE-MAN" Monson, Matt "Mr. Modesty" Kayes, David "U-Haul" Sherman, Scott "Crotch" Trochtenberg, Michael "Igor" Rosenfeld, Chris "Letterman" Graviss, Scott "Scum" Cummings, and last and also least, Bill "Captain for a day" Becker. All of these people put in a substantial effort in making this season so successful.

Now that the season is over it is again feast time and on the menu this year is steak, corn, potatoes, beans, cake, bread, ice cream, soda . . . . . Special thanks go to Mr. Haskins for putting forth so much effort and for putting up with us; also to Christy, for keeping score and not being grossed out.

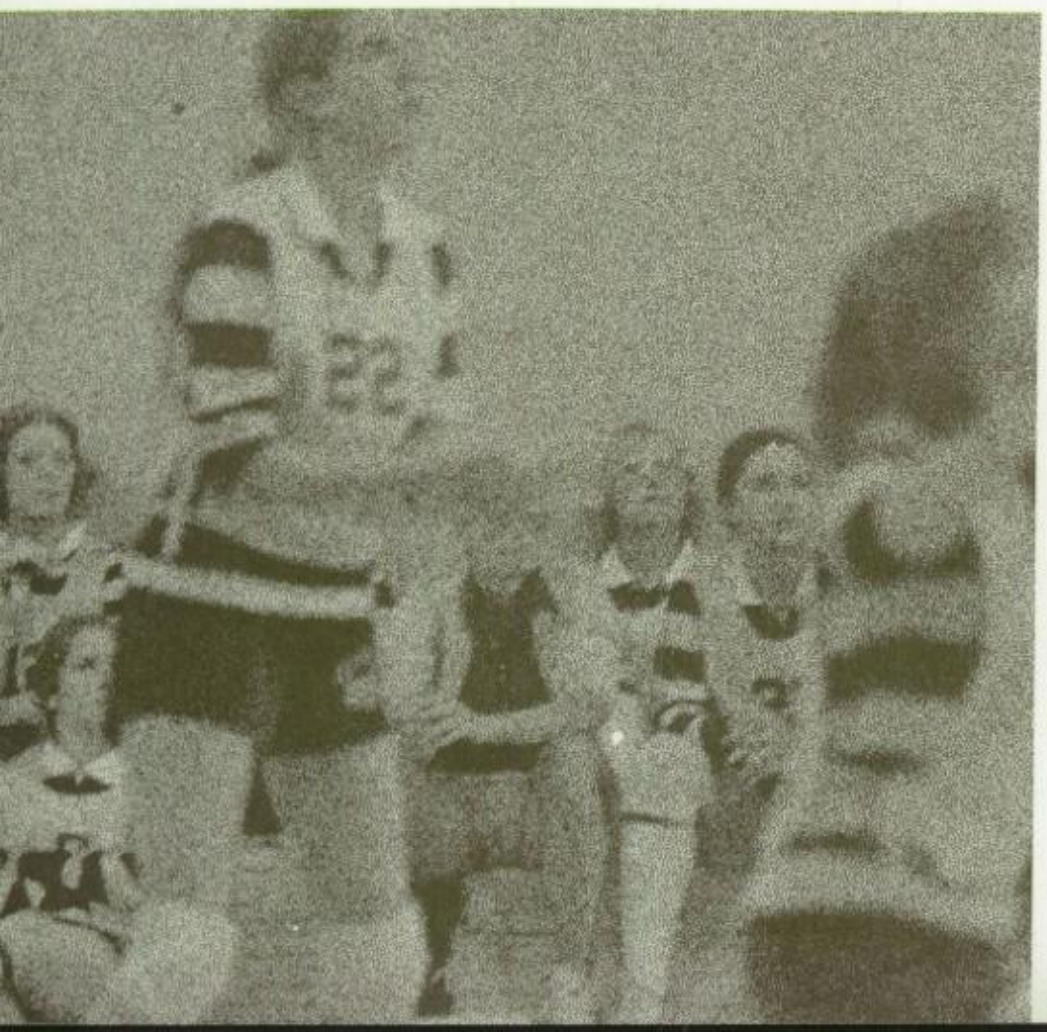
Girls' A Volleyball

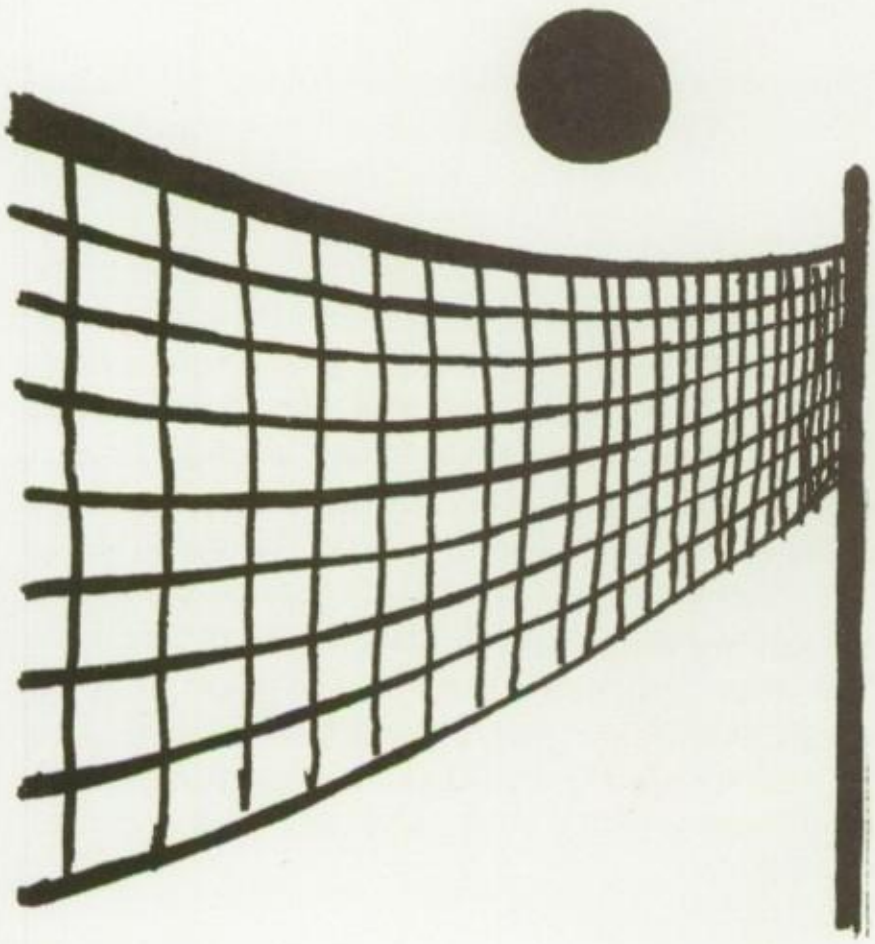


"A" Volleyball was the most consistent team at Burroughs-beating out even the "A" Football team in our thirteen game streak, (the fact that it was a losing one remains unimportant). The varsity volleyballers suffered a severe setback this season when six of seven women on last year's team graduated, leaving only Nancy Luehrman.

The team had new shirts which gave them the class in their dress that they lacked in their play. Many thanks are in order for Beth Williams who put alot of time and effort into the team.

First Row: J. Entzeroth, Miller, Shuter, Holmes. **Second Row:** Coach Williams, Hetlage, Thomas, L. Hustace. **On Top:** Hamilton.

Girls' B Volleyball



In their '76 season, the volleyballers came up against some outstanding teams. Singlehandedly, Beth Williams coached the girls through a fifteen game season that was even harder than it sounds. Although the team's record was not an impressive one, the volleyballers gained not only personal experience and ability, but they also learned to function as a team.

Many thanks are due to the captains, Cary Holmes and Anne Shuter, the manager, Kathleen Dyer, our few loyal supporters, and to Beth for sticking with us.

The 1976 JBS track team had a good season under the leadership of Tom "Mad Dog" O'Keefe, Dennis Moore and Jerry Carinci. After a 5-3 dual meet record, the thinclads bloomed in the large meets. At the Clayton Invitational, Burroughs placed fifth with the help of Earl Gerfen's record breaking first place in the long jump. In the ABC meet Gerfen led the team as he placed first in four events: the 100, 220, 440 and long jump. Burroughs placed third behind Lutheran North and Principia in this meet. The district meet was held at JBS with record setting wins by Gerfen in the 100, 220, 440, and the long jump. Evan Wykes won the mile, Jay Hershey won the triple jump and the 880 relay team of Steve Duncker, Steve Schmid, Shep Parke and Jay Hershey, won. In this district meet, six members qualified for state which was held in Rolla. The team finished third with a first place finish in the mile by Evan Wykes. The loss of valuable seniors always presents a minor problem in the planning of next years team, but "Dogger" never fails to work something out.

GOLF '76

The bicentenial edition of the golf team faced a rough schedule this year. As, a result, their final record fell below the .500 mark. Still a somewhat young team, the Bombers did have a six and four record in the league. The Bombers got off to a slow start by dropping the first match to a strong C.B.C. team by less than five strokes. The season closed with an overall record of six and nine.

The top four, Ted Levis, Bob Klostermeier, Bill Essman, and Joe O'Keefe, placed a commendable sixth in the District Tournament with Levis firing a strong seventy-four.

With three of the top four returning, along with many other good prospects, Herr Witscher and the team are looking forward to a brighter season next year.

First Row: Sisler, Lewis, Hellmich, T. Holmes, Forsyth. **Second Row:** Rosenfeld, Stromsdorfer, Griesedieck, Austin, Pittman. **Third Row:** Martin, Strassner, Schmid, Marsh, Gabianelli, Coach Heath.

"A" Baseball

The 1976 Bombers were a spirited team of talented players. The year was highlighted by victories over Lutheran North and Chaminade. Bill Hellmich pitched an outstanding round in both contests and was assisted by clutch hitting by Steve "machine" Lewis and Dave Sisler. Ted Holmes played fine outfield for the Bombers and made several unique catches during the year. The "A" team thanks Mr. Heath for his instruction and coaching.

First Row: Paletta, Kayes, **Second Row:** Hatfield, Mauer, Horwitz, Monson, Kohn. **Third Row:** Coach Gardner, dePenaloza, Shearburn, Hollander. **Fourth Row:** Sherman, N. Holecamp, McGinley, Hill.

"B" Baseball '76

The 1976 "B" baseball team, coached by Stan Gardner had a respectable season. The "B" team finished the year with a 6-4 record and a third place in league standings. Four of the six victories were by ten runs or more. Gardner's troops lost to league champion Lutheran South 2-1 and second place finisher Lutheran North, 9-6.

The Burroughs attack was effective throughout the season and was complemented by good pitching. Joel Monson, Phil Horwitz, Tom Kohn, David Hatfield and Nick Holecamp hit consistantly to bomb Priory, Prin, and Codasco. The defense was bolstered by Hatfield's pitching performances. John Mauer and Joel Monson each had one shutout and both pitched well.

Stan Gardner, hampered by limited practice time, helped form a competitive team and made the season fun for all. We thank Stan for his patience and guidance.

"C" BASEBALL '76

The 1976 "C" baseball team ended its season with a record of 5-4. Under the piloting of "Grover" Crabtree, the Eagle's season was highlighted by three smashing victories over Country Day. The Eagles finished in third place behind Lutheran North and Lutheran South, two teams which were more experienced than the Eagles.

The "C" team would like to thank Coach Crabtree for his time and assistance. With Mr. Crabtree's teaching of baseball fundamentals, the youngsters are hopeful of winning teams in the future.

First Row: Mike Banton, S. Samuels, Chorlins, K. Walker, J. Woods. **Second Row:** B. Krause, Imster, H. Gladney, E. Avioli, G. Grimshaw, W. Behrens, S. Cohn, T. Finch, B. Wulfing, Coach Lemen.

Girl's Softball '76

Lemen's Limes (more widely known as Lemen's Lemons) completed their 1976 season with the most impressive record bin the history of the team. The Limes wrapped up the season with a noteworthy record of eight losses and two big wins. Such a record could not have been attained without the meriless drilling and coaching of Mr. Bearwalk, Jim Lemen and his faithful assistant, Mike "the spike" Banton. A special addition to the line up was, according to the Lime's pitcher, a crew of eight, nearsighted, home plate umpires.

The season was highlighted by a 21-2 victory over the mighty Prin Panthers, who played a tough game, but were edged out by the obviously hidden athletic talent of the Limes. In addition to the Prin win, the Limes managed to slide past Villa in the last inning, leaving a score of 15-14 in the Lime's favor.

Beside the fact that Mike and Mr. Lemen wanted to coach us so that they could come to the girl's athletic banquet, we think they deserve alot of credit for the enthusiasm and spirit that was apparent during our games and practices.

Girl's Tennis '76

The 1976 girl's tennis team had a record of 9-2. The team consisted of eleven veterans and seven newcomers, all of whom contributed greatly to the success of the team. The season was highlighted by a smashing victory of 8-0 over J.F.K., as well as a close match with our rivals, Mary Institute. The most remembered shots were the skillful Morrissey mash and the outstanding Sharp smash.

Not all the credit is due to our natural ability and unique coordination, but also to the superb coaching of the darling, dedicated, Sue, now known as Mrs. Trip or just "missus".

First Row: Drescher, K. Samuels, **Second Row:** Sincoff, Larimore, McMahon, T. Beisman. **Third Row:** Maher, M. Jones, Tamm, L. Sharp. **Fourth Row:** Mrs. Greditzer, S. Smith, Bishop. Absent: S. Samuels, E. Rubenstein, Burrows.

"B" Tennis

The tennis team had an excellent season regardless of their 9-4 record. Coach Schmertz led them to the first victory over the Daisies in countless years. The team attributes its success to the teachings of applied Zen which is a new facet of Burroughs sports. The members are looking forward to next spring when they plan to further dicipline themselves for "A" team.

Roller Derby 1976-77

One of the most dramatic sports events of this year was the women's roller derby. Make-a-space Trace Beiesman, reknown Queen of the fast moving, knockabout game, challenged the Rare Gorg Bird and her crowd of cronies. These fast women accepted the challenge with the knowledge that the prize would be a date with this year's homecoming queen, Cleo.

The match started on an October morning at the J.B.S. track drawing crowds from as far away as Price Road. Coach Moceri, ex-roller queen, gave a pep lecture and announced the rules. The gun sounded and the match began.

Leiy Hobbler and Racy Gracey vied for positions with the Fruits of Franco behind them yelling obscenities in a strange accent. Jungle Jane and this editor were maliciously tying string across the track so as to trip Trace.

What jokesters! Make-a-space approached the psuedo finish line with a victor's expression and her arms raised high. She glanced under her arms and lowered them as she skated through the string. Crazy Cat Winfield, previously injured in a dance performance on skates, comforted Kracking Kelly who threw her skates down in disgust. The Rare Gorg Bird Cronies lost out on a hot night with a real babe but reserve the right to say, "Niener Niener Niener".

"The nature of man indicates that he can continue to learn all his life; the scientific evidence shows that he has the capacity to do so. Granting the overwhelming importance of early life in mental development, adult years are not without their opportunities. We know that brutalization and stupefaction can occur at any time of life. The way to stay human is to keep on learning."
